TO MEMBERS OF THE PUBLIC

The Agenda page and accompanying resolutions have been prepared well in advance of the regularly schedule meeting of the Board of Trustees of the San Francisco Community College District. Please note that Resolution are subject to amendment and replacement.

Members of the public shall have an opportunity to speak in accordance with Government Code 54954.3 and Education Code 72121.5.

You should be aware of the following (Government Code § 54954.2):

1. Additional agenda items to be acted upon by the Board may be posted at 33 Gough street and in the lobby of Conlan Hall at the Phelan Campus at least 72 hours in advance of the regularly scheduled Board Meeting. Resolutions may also be available at the time of posting, but if not, such resolutions will be available at the Board Meeting.
2. Additional agenda items and resolutions, although not posted as in paragraph 1 above, may still be acted upon by the board at the regular meeting:
 - a) Upon a determination by a majority vote of the Board that an emergency situation exists, as defined in Government Code § 54956.5. Emergency is defined as work stoppage or other activity which severely impairs public health, safety, or both as determined by a majority of the members of the Board, OR crippling disaster which severely impairs public health, safety or both, as determined by a majority vote of the members of the Board, OR
 - b) Upon a determination by a two-thirds vote of the members of the Board present at the meeting or, if less than two-thirds of the members are present, a unanimous vote of those members present, that there is a need to take immediate action and that the need for action came to the attention of the District subsequent to the agenda being posted 72 hours in advance of the Board Meeting, OR
 - c) The Item was posted 72 hours in advance of a prior meeting of the Board occurring not more than five calendar days prior to the date action is taken on the item, and at the prior meeting the item was continued to the meeting at which action is being taken.

For Members of the Public:

To facilitate the conduct of business at Board meetings, the following information has been taken from the District's Policy Manual concerning the conduct of Board Meetings.

From PM 1.05 A:

The order of business may be revised at any meeting when, in the discretion of the President, such revision will benefit the public and/or order of the meeting.

From PM 1.05 L:

L. Granting the Privilege of the Floor. A person desiring to speak shall be recognized by the Chair only after complying with the following procedures:

For matters appearing on the agenda, an individual desiring to address the Board must complete a "Request to Address Board" card, completing the information thereon including the subject to be addressed. If there is to be a written report presented, a copy(ies) shall be submitted in advance to the Chancellor.

Any person desiring to address the Board on non-agenda items must also complete the "Request to Address Board" card and will be recognized at the end of the agenda. Only items directly related to District business may be presented.

Cards for these purposes are available in the Office of the Chancellor and also at the Board meeting. Completed cards should be presented to the Board President prior to the beginning of the meeting. As a matter of courtesy, the Board encourages people to notify the Chancellor's Office in advance of the Board meeting of their intention to address the Board. Prior to calling for a vote on an item before the Board, the Presiding Officer shall determine if speaker cards have been submitted for that item. Persons who have submitted cards prior to the consideration of the item shall be called upon by the Presiding Officer. Persons who address the Board may address only the agenda item being considered and shall have up to three minutes for comments. Should another person who has submitted a request to speak card in advance of consideration of the item wish to forego speaking on that item, he or she may grant his or her speaking time to another speaker who has also submitted a request to speak card, but in no event shall any speaker have more than two allotments (totaling up to six minutes) of speaker time on any item. However, in order to facilitate the completion of District business, the Presiding Officer may also limit the total length of time allotted to the speakers on a given topic or agenda item which may reduce the individual speaker's time on that topic or item. Speaking too long, being unduly repetitious, or discussing irrelevancies disrupt the meeting, and may result in the forfeiture of speaking opportunities during that meeting.

The President of the Board reserves the right of determining the order of the speakers and changing the order of the agenda if it will be of benefit to the public and/or the order of the meeting.

Undue interruptions or other interference's with the orderly conduct of Board business cannot be allowed. Defamatory or abusive personal remarks, which disturb or impede the meeting or exceed the bounds of civility necessary to the conduct of District business, are always out of order. However, the Board shall not prohibit public criticism of the policies, procedures, programs, or services of the District, or of the acts or omissions of the Board.

The President may terminate the speaker's privilege of address if after being called to order, he or she persists in improper conduct or remarks, or if the speaker fails to speak on the subject matter for which the privilege of the floor was granted.

No oral presentation shall include charges or complaints against any employee of the Board, or otherwise present information, which does not relate directly to the topic at hand or which disrupts or impedes the meeting. All formal charges or complaints against an employee, for which a specific grievance or complaint process is not otherwise available, shall be in writing and signed by the person making the charge and shall be filed with the Chancellor who shall, after investigation, take or recommend appropriate action. There shall be no oral presentation or discussion of confidential formal charges or complaints in open public meetings of the Board on non-agenda items or unless otherwise required by law.

Comments or presentations made by members of the public to the Board do not necessarily reflect the opinion of the Board or of its individual members, nor does the Board necessarily endorse or sanction such comments or presentations. Persons who address the Board on matters of their choosing are solely responsible for the content of such comments or presentations.

Subject: GENERAL FUND

**Adoption of Nonresident Tuition Fee Rate in Grades 13
and 14 for the Fiscal Year 2003-04
(Resolution No. 021107-B1)**

BACKGROUND INFORMATION:

The California Education Code, beginning with Section 76140, sets forth the relevant law as it relates to nonresident tuition fees rates in grades 13 and 14 . It distinguishes between nonresident students who are U.S. Citizens (out-of-state) and nonresident students who are citizens of a foreign country (out-of-country) and establishes criteria used for the setting of tuition fee rates for both groups.

While the cost of providing instruction and related services has increased significantly since 1996, the fees City College charges for non-resident tuition have not been raised at all during the past six years. The rate for fiscal year 2002-2003 is:

\$130.00 per semester unit

\$ 6.00 per semester unit for capital outlay

The \$6.00 per semester unit for the capital outlay fee is calculated each fiscal year based upon the prior fiscal year's expenditure for capital outlay. The law precludes the College from charging this fee to out-of state students and only allows it to be charged to out-of-country students.

The Vice Chancellor for Finance and Administration and the Chief Financial Officer recommend that the rates for fiscal year 2003-04 be set at \$144.00 per semester unit and \$ 9.00 per semester unit for capital outlay. All other policies, rules, and regulations relating to exemptions, refunds, and economic hardship/victims of persecution or discrimination for fiscal year 2003-2004 remain the same as in fiscal year 2002-03.

As the table below shows, the District's recommended rates for next fiscal year, 2003-04, are equal to the lowest rates charged by our contiguous Bay Area community colleges for the current fiscal year, 2002-03. Since it is likely that these other colleges will increase their rates for 2003-04 once again, it is also likely that our rates will remain the lowest in the immediate Bay Area during 2003-04.

	2003-04 Proposed CCSF	2002-03 Contra Costa	2002-03 San Mateo	2002-03 Marin	2002-03 Peralta
Tuition Rate	\$ 144.00	\$ 138.00	\$ 148.00	\$ 157.00	\$ 175.00
Capital Outlay Fee	\$ 9.00	\$ 15.00	\$ 7.00	\$ 11.00	\$ 8.00
Total	\$ 153.00	\$ 153.00	\$ 155.00	\$ 168.00	\$ 183.00

RECOMMENDATION:

RESOLVED: That in accordance with California Education Code Sections 76140 and 76141, the out-of-state per semester unit fee rate of \$144 and out-of-country per semester unit fee rate of \$153 (including a \$9 capital outlay fee) be adopted for non-resident students enrolled for the Fiscal Year 2003-04, and

(Resolution No. 021107-B2)

BACKGROUND INFORMATION:

Title 5 of the California Code of Regulations, Section 58310 requires California's Community College Districts to report quarterly on their financial condition. Since June 30, 1987, Districts are required quarterly to provide to the State Chancellor's office the completed form CCFS-311Q and a copy of the quarterly financial report.

In order to meet the requirement of Title 5 of the California Code of Regulations, Section 58310 the following resolution is recommended for adoption:

**Approval of Expenditure Plan for 2002-2003 TTIP
Grant, State Chancellor's Office
(Resolution No. 021107-B3)**

BACKGROUND INFORMATION:

The 2002 -2003 State Budget Act contains \$24.5 million for expenditure on the Telecommunications Technology Infrastructure Program (TTIP), and provides that \$12,500,000 be allocated to the community colleges for maintaining all of the capabilities specified in the Budget Acts of 1996 through 2002 for the Telecommunications and Technology Infrastructure Program: (1) maintenance of communications lines, software and other costs associated with connecting to the collaborative California State University/California Community College telecommunications wide area network (4CNet), (2) video conference connectivity, (3) local planning and development for improving library technology, (4) digital satellite systems. Due to budget constraints, the Department of Finance did not provide 2002-03 funding for the areas of Total Cost of Ownership or Technology Training.

The allocation of the 02-03 TTIP funds for City College of San Francisco is \$149,757, earmarked for the following categories:

4CNet data	\$88,120
4CNet video	\$24,600
Library Automation	<u>\$37,037</u>
TOTAL	\$149,757

4CNet data and video funds are earmarked to pay for Internet connectivity and video conferencing capability provided by the 4CNet system. City College was recently upgraded to a DS3 connection, which is 13 times faster than what we had before. The funds for Library Automation are earmarked to provide students with access to electronic library resources (e.g. online periodicals

The State Chancellor's Office requires that a Board approved expenditure plan for the TTIP funds be submitted. The following expenditure plan, created in accordance with the guidelines for allowable TTIP expenditures, is submitted for Board approval.

No general fund expenditure will be required to implement this resolution.

RECOMMENDATION:

RESOLVED: That authorization be hereby given to adopt the expenditure plan as specified in this resolution, as required by the 2002-2003 Budget Act, in order to receive special State funds for the Telecommunications Technology Infrastructure Program in the amount of \$149,757, and

Authorization to Amend Special Services Contracts –
Levy Design Partners, Hamilton Aitken Architects,
Mock/Wallace – Barcelon & Jang, Finger & Moy Architects,
Baker Vilar Architects, and Powell & Partners Architects
(Resolution No. 021107-B4)

BACKGROUND INFORMATION:

On April 27, 2000 the Board of Trustees adopted Resolution No. 000427 – B4 and authorized the award of Architectural / Engineering contracts to Levy Design Partners, Hamilton Aitken Architects, Mock/Wallace – Barcelon & Jang, Finger & Moy Architects, Baker Vilar Architects, and Powell & Partners Architects for projects funded by the Proposition A 1997 General Obligation Bond. The authorization was to enter into an agreement with each firm for up to three years, at a cost not to exceed \$400,000. This resolution authorizes the extension of any of these Agreements for an additional year (June 30, 2004) and increases the contract amounts to a cost not to exceed \$750,000 if necessary. This allows for the completion of the Proposition A 1997 General Obligation Bond Projects.

The District is finalizing the Request for Qualification (RFQ) language to be used in a comprehensive outreach effort to obtain architectural / engineering services for the Proposition A 2001 General Obligation Bond Projects. It is anticipated that a resolution will be brought to the Board in February 2003 to award architectural / engineering services for the renovation and remodeling projects funded by the 2001 bonds.

RECOMMENDATION:

RESOLVED: That authorization be hereby given to amend the Agreements with Levy Design Partners, Hamilton Aitken Architects, Mock/Wallace – Barcelon & Jang, Finger & Moy Architects, Baker Vilar Architects, and Powell & Partners Architects to extend the contract time to June 30, 2004 and increase each contract amount to a not to exceed cost of \$750,000 if such action is needed, and

Authorization to Award Special Services contracts to; EIP Associates for California Environmental Quality Act (CEQA) Compliance Consulting Services (Resolution No. 020627-B9)

BACKGROUND INFORMATION:

Project: *Proposition A, 2001 General Obligation Bond Projects, at the Ocean Avenue Campus and other Campus sites*

The District used a comprehensive outreach effort to encourage prospective firms and sub-consultants to respond to the "Request for Qualifications" for California Environmental Quality Act (CEQA) Compliance Consulting Services. Four firms submitted responses to the RFQ. The Board of Trustees approved a resolution in June 2002 to authorize contracts with three of these firms, and tabled consideration of the fourth firm, EIP Associates. This resolution will authorize a contract with EIP Associates to provide consulting services for achieving CEQA compliance for projects at the Ocean Avenue Campus and other Campus sites.

A preliminary budget for this contract has been established. However, additional analysis of the proposal and negotiated scope of work and project deliverables is needed to determine the final budget.

The project is funded by the Proposition A, 2001 General Obligation Bond

RECOMMENDATION:

RESOLVED: That authorization be hereby given to contract with the lowest responsible bidder, EIP Associates, from November 8, 2002 through July 1, 2003 for special services and advice to provide the District with professional services for CEQA compliance of Proposition A, 2001 General Obligation Bond Projects, at the Ocean Avenue Campus at a cost not to exceed \$100,000, and

FURTHER BE IT RESOLVED: That the Chancellor, Vice Chancellor of Finance and Administration and/or their designee are hereby authorized to execute any and all documents on behalf of the District to effectuate this resolution.

SUBJECT: CONTRACTS

Authorization to contract with Olive Tree

Communications (Resolution No. 021107-B12)

BACKGROUND INFORMATION :

This resolution seeks the Board's authorization to contract with Olive Tree Communications, a woman-owned SF web design firm, to build an interactive Web site that will contain the findings and products of the Promoting Diversity project including case studies of effective diversity practices and statewide data on diversity in the community colleges. Olive Tree Communications was chosen after a request for proposals/bids was sent out to San Francisco firms listed by the SF Human Rights Commission. The services that will be provided by Olive Tree Communications include conducting a review of how practitioners can use a data-driven Web site; design and specification of the technical requirements; development of the applications; testing of the applications; and training of the users of the Web site.

City College of San Francisco received a grant from the State Chancellor's Office two years ago to identify effective practices promoting diversity within the community colleges of California. The project's research team used statewide surveys, on-site interviews, data from the State Chancellor's Office and extensive phone interviews to develop a final report that describes effective practices that promote diversity in hiring, internal college climate and college-community relationships. The report will be widely disseminated throughout the state to all practitioners including community college trustees, administrators, faculty, staff and students, and to other interested organizations including other educational institutions, policy-makers, and community organizations.

The dissemination plan includes the production of a hardcopy report, a PowerPoint presentation and an interactive data-driven Web site. The intent is to build a Web site with a capacity to extend and enlarge the number and scope of the case studies over the next few years.

The contract is for no more than \$50,000 for the period November 8, 2002 through April 1, 2003. Funds are from second year allocation of the Promoting Diversity grant from the State Chancellor's Office.

The background and skills of the team that will be constructing this website are attached to this resolution.

RECOMMENDATION:

RESOLVED: That authorization be given to contract with Olive Tree Communications to build an interactive Web site for the period November 8, 2002 through April 1, 2003 in the amount not to exceed \$50,000, and

FURTHER BE IT RESOLVED: That the Chancellor, Vice Chancellor of Finance and Administration and/or their designees are hereby authorized to execute any and all documents on behalf of the District to effectuate this resolution

Subject: GRANTS
Acceptance of Gifts
(Resolution No. 021107-C3)

BACKGROUND INFORMATION

SFCCD Policy Manual Section 8.08 Acceptance of Gifts provides that (1) motor vehicles, (2) aircraft, (3) cash exceeding \$250, (4) securities, (5) precious stones, (6) precious metals, (7) goods other than (1) or (2) above with a market value exceeding \$1,500, be accepted by the SFCCD only by resolution of the Board of Trustees.

RECOMMENDATION:

WHEREAS: The SFCCD has been tendered the gifts detailed in Attachment A;

WHEREAS: Vice Chancellor of Academic Affairs Frances Lee declares that these gifts will enhance the instructional program of the San Francisco Community College District;

THEREFORE BE IT RESOLVED: That the Chancellor and the Vice Chancellor of Finance and Administration or their designees, are hereby authorized to accept the gifts listed on Attachment A for and in the name of the San Francisco Community College District;

FURTHER BE IT RESOLVED: That upon transfer of legal title of these gifts described in Attachment A, the Secretary of the SFCCD Board of Trustees is directed to notify the donors of acceptance of the gifts by the governing board.

**Subject: Human Resources
Authorization to amend employment Contract (s)
(Resolution No. 021107 - L1)**

BACKGROUND INFORMATION:

The Board of Trustees by Resolution No. 791120-B1 has made available to its employees the provisions of Section 403 (b) of the United States Internal Revenue Code and Section 17501 of the California Revenue and Taxation Code.

Employees of the San Francisco Community College District may enter into an amendment of their employment contracts for the purpose of effecting a reduction in the salaries paid to such employees, and that for each employee who voluntarily elects to accept such reduction in his or her salary, the San Francisco Community College District shall, as directed by such employee, a) purchase, with an amount equal to the reduction in salary, a nontransferable annuity contract issued by an insurance company selected by the employee concerned, or b) contribute an amount equal to such reduction in salary to a custodial account of a custodian selected by the employee, in which all rights under said custodial account shall be exercisable by the employee concerned.

RECOMMENDATION:

RESOLVED: That the Board of Trustee of the San Francisco Community College amend employment contract for the purpose of (a) purchasing tax sheltered annuities, (b) contributing to tax sheltered custodial accounts, for those employees requesting such purchases or contributions, and (c) termination of the amendment to employment contract, complying with the provisions of Section 403 (b) of the United States Internal Revenue Code, and Section 17501 of the California Revenue and Taxation Code.

SUBJECT: HUMAN RESOURCES

Recommend (1) Modifying Board of Trustees Resolution No. 010321.S2 to delete the classification Garden Assistant Supervisor (3418), and to include the classification of Park Section Supervisor (3422); and (2) authorizing the Administration to establish wage rates/premiums and benefit levels for the 3422 classification
(Resolution No. 021107-S1)

BACKGROUND INFORMATION:

On March 21, 2002, the Board of Trustees adopted wage rates for the San Francisco Building and Construction Trade Council Unions ("SFBCTCU") for fiscal years effective July 1, 2001 through June 30, 2003. Subsequent to that action, the Department of Human Resources for the City and County of San Francisco informed the District of its intent to eliminate the 3418 classification and of its action to establish the 3422 classification. In light of these actions, the Administration recommends (1) modifying Board of Trustees Resolution No. 010321-S2 to eliminate the 3418 classification as soon as practical, and to include the 3422 classification, and (2) authorizing the Administration to establish wage rates/premiums and benefit levels for the 3422 classification commensurate with the duties and responsibilities of the position.

Approval of the Chancellor's Annual
Performance Objectives for 2002-2003
(Resolution No. – S3)

BACKGROUND INFORMATION:

As prescribed in the contract of the Chancellor, the Board of Trustees must approve a statement of Annual Performance Objectives for the Chancellor which serves as a guide for his work in the upcoming year and as a basis for his subsequent evaluation. A draft of these objectives was prepared and distributed to the Board earlier this month and was discussed at the Board's planning retreat. Appropriate revisions were made, and a follow-up discussion and review of the draft was held with Trustee Berg, chairperson of the Personnel Committee. Subsequently, a final draft was prepared for approval by the Board of Trustees.

RECOMMENDATION:

RESOLVED: That The City College District Board of Trustees approve

**ANNUAL INSTITUTIONAL PLAN
CITY COLLEGE OF SAN FRANCISCO
2002/3**

The Annual Plan is based primarily upon the College's Strategic Plan plus other recent College plans, program reviews, studies and, most recently, college-sponsored listening sessions. The Annual Plan serves as an operational version of the College's plans for a one-year period; it consists of a set of institutional objectives that are to be achieved by the College through the efforts of its various college units and their regular budgets. Thus, the unit plans are linked to the annual plan, just as the annual plan is linked to the College's overall Strategic Plan. Implementation will follow established college processes and procedures.

The annual institutional objectives are developed in two categories: Basic Operational Objectives (maintenance of effort objectives) and Developmental Objectives (growth objectives as well as new initiatives). The developmental objectives are mostly drawn from the strategic priorities that are to be addressed in 2002/3 as stated in the College plans cited in the parentheses.

Progress in achieving these objectives will be evaluated during the mid-year and end-of-year reviews. The College recognizes that periodic changes in objectives also will be necessary to adapt to new unanticipated situations. All major cost centers at the college will discuss their progress and achievements and their assessment will be incorporated into the mid-year and final end-of-year reports.

Operational Objectives

These objectives represent the basic maintenance-of-effort activities of the institution and account for a sizable level of the institutional resources and efforts.

1. To provide high quality educational programs and courses for associate degrees, transfer to baccalaureate institutions, career education and workforce training, English as a Second Language, adult high school diploma, non-credit, cultural enrichment, and lifelong learning.
2. To provide high quality student development and educational services in areas of financial aid, student information, admissions and records, matriculation, advisement, counseling, career and job placement, childcare, academic support, and library and learning resources.
3. To provide high quality extra-classroom opportunities in areas of cultural, recreational and educational activities.
4. To provide high quality services in the areas of fiscal and administrative services, facilities management, data processing, enrollment management, public information, comprehensive planning, research, institutional effectiveness and assessment, fund raising and grants, personnel management, academic management, faculty/staff development, and executive leadership.
5. To continue to maintain a high level commitment to college participatory governance for faculty, classified staff, students and administrators.

Developmental Objectives

These objectives represent the improvement and expansion activities of the institution and account for varying levels of institutional resources and effort. The developmental objectives are organized under the six institutional goals established in the college Strategic Plan. They are as follows:

- I. Enhance Access to City College of San Francisco
- II. Promote Student Success in Achievement of Educational Goals
- III. Improve Satisfaction with College Services
- IV. Promote a Supportive and Positive Workplace
- V. Manage Resources Effectively
- VI. Pursue Highest Standards of Educational Excellence

**DEVELOPMENTAL OBJECTIVES

Subject: SPECIAL
Technical Amendments to AB 540 Public
postsecondary education: exemption from
nonresident tuition and establishing Federal
eligibility for financial aid and state residency
(Resolution No. 021107-S4)

BACKGROUND INFORMATION:

AB 540 was signed into law by the Governor on October 12, 2001 and will take effect on January 1, 2002. This legislation expanded access to California's public universities and colleges by exempting certain nonresident students who have attended high school in California and received a high school diploma or its equivalent from payment of nonresident tuition.

However, students receiving a high school diploma from an adult school or community colleges were not included in the original legislation. It is the intent of the California Community Colleges to pursue technical amendments in the System Legislative Package to allow adults students receiving their high school diploma to receive the same exemption from paying out of state tuition in the 2003-2004 legislative session.

Additionally, because of federal regulations, undocumented students cannot establish state residency for the purposes of paying the in-state rate of tuition nor for receiving federal financial aid. S1291, better known as the "Development, Relief, and Education For Alien Minors Act" sponsored by Senators Hatch and Durbin, has received bipartisan support in the Senate. This bill would permit States to determine State residency for higher education purposes and to authorize the cancellation of removal and adjust the status of certain alien college-bound students who are long-term United States residents. Our own Senator Barbara Boxer has signed on as a co-sponsor.

Furthermore, H.R. 1918, the "Student Adjustment Act" authored by Representatives Cannon, Berman, and Roybal-Allard is moving through the House. This bill would also permit States to determine state residency for higher education purposes and to amend the Immigration and Nationality Act to cancel the removal and adjust the status of certain alien college-bound students who are

long-term U.S. residents. Representative Tom Lantos has signed on as a co-sponsor.

The California Community Colleges are in support of both bills. Furthermore, should these bills fail to pass, it is the intent of the California Community Colleges to continue to pursue this issue in new legislation as part of the System Legislative Package in the 108th Congress.

RECOMMENDATION:

RESOLVED: That the Board of Trustees support technical amendments as one of City College of San Francisco's Legislative Priorities for the 2003-2004 legislative session that would allow adults students receiving their high school diploma to receive the same exemption from paying out of state tuition, and

RESOLVED: That the Board of Trustees support S.1291 and H.R. 1918 which would permit States to determine state residency for higher education purposes and to amend the Immigration and Nationality Act to cancel the removal and adjust the status of certain alien college-bound students who are long-term U.S. residents, and

RESOLVED: That the Board of Trustees support technical amendments as one of City College of San Francisco's Legislative Priorities for 108th Congress that would permit States to determine state residency for higher education purposes and to amend the Immigration and Nationality Act to cancel the removal and adjust the status of certain alien college-bound students who are long-term U.S. residents, and

FURTHER BE IT RESOLVED: That the Chancellor, Vice Chancellor of Finance and Administration and/or their designee are hereby authorized to forward expressions of support for the legislation and bills to the appropriate parties at the State level.

Subject: SPECIAL
Approval of New Administrative Evaluation and
Contract Renewal Procedures
Resolution No: 021107-S5)

BACKGROUND INFORMATION:

Continuing administrators are currently evaluated once every three years and upon successful completion of their evaluation are given an additional three-year contract. Depending on their length of service in the District, newer administrators are currently evaluated after either one or two years and are given either one or two year contracts upon successful completion of their evaluation.

In an effort to bring the evaluation process for administrators in line with that of the Chancellor and Department Chairs, the Chancellor met with the Administrators' Association and other representatives of the shared governance bodies over the past several months and reached a consensus agreement on an annual evaluation and contract renewal process for administrators. This procedure will be reviewed and evaluated after a two-year trial period. The recommended new administrative evaluation and contract renewal procedures are attached.

Some of the differences between the new and old procedures include the following:

1. Administrators will be evaluated every year instead of once every three years.
2. Objectives will be established for each administrator each year and the evaluation process will include a broad-based assessment of the extent to which each administrator met those objects including the administrator's self-evaluation, the supervisor's assessment, and specific input from administrators, faculty, classified staff, and students who work closely with the administrator on a regular basis. The evaluation will include recognition of accomplishments and an assessment of steps taken to improve performance.

3. Each administrator and his/her supervisor will develop a list of individuals to be surveyed including those who work directly with the administrator; other faculty, staff and administrators familiar with the administrator's work; and students who work with an administrator on a regular basis. In addition, all faculty will be given an opportunity to provide additional feedback on the administrator's performance to the administrator's supervisor through a survey administered by the Academic Senate.
4. A new Administrative Evaluation Oversight committee consisting of administrators and representatives of all shared governance bodies will be responsible for ensuring that the evaluation process is followed and is conducted appropriately, and that there is reasonable input from the constituencies described in the procedures.
5. Upon successful completion of the evaluation process, administrators with three-year contracts shall have their contracts extended another year; new administrators will receive a two-year contract and shall be evaluated during the first year of service.
6. For Administrators who receive a "less than satisfactory" or "needs improvement" evaluation, the process described in the new Administrative Evaluation Procedure would apply (see section IG and section IIA).

These new procedures for the evaluation and contract renewal process will strengthen the ability of the institution to assess individual administrators annually with the following objectives:

1. To give accurate feedback to an administrator regarding his/her job performance;
2. To document an administrator's accomplishments during the period under review;
3. To identify ways that an administrator can improve his/her job performance and thereby better serve all segments of the District community;

Based upon discussions with the Personnel Committee of the Board, it is recommended that the new procedures be implemented as of Fall 2003. Consequently, all current administrative contracts shall be extended through June 30, 2004. During the current academic year, each administrator will develop goals and objectives with his/her immediate supervisor to be used for the annual evaluation procedure beginning in Fall 2003. Thereafter, administrators shall be evaluated annually.

RECOMMENDATION:

RESOLVED: That the attached Administrative Evaluation and Contract Renewal Procedures be approved and reviewed after a two-year trial period and

RESOLVED: That all current administrative contracts be extended through June 2004 to allow for the development of goals and objectives during FY 02-03 and evaluations to take place during fall and spring of FY 03-04, and

RESOLVED: That the Chancellor reserves the right to evaluate an administrator for cause prior to FY 03-04 and take action as appropriate, and

FURTHER BE IT RESOLVED: That at the end of the two-year trial period after consultation conducted by the Chancellor with appropriate parties, including the Administrator's Association and the Academic Senate, these procedures may be continued, and

FURTHER BE IT RESOLVED: That the Chancellor, Vice Chancellor of Finance and Administration and/or their designees are hereby authorized to execute all documents necessary to effectuate this resolution on behalf of the San Francisco Community College District.

ADMINISTRATIVE EVALUATION AND APPOINTMENT RENEWAL PROCEDURES

I. EVALUATION PROCESS

- A. City College of San Francisco administrators (including exempt administrators) will be evaluated annually to provide a comprehensive assessment of the administrator's performance. The immediate supervisor of the administrator will be responsible for managing the evaluation process and establishing in which semester the administrator will be evaluated.
- B. The purposes of administrative evaluation are:
 1. To give accurate feedback to an administrator regarding his/her job performance from faculty, classified staff, administrators and, where appropriate, students..
 2. To document an administrator's accomplishments during the period under review.
 3. To identify ways that an administrator can improve his/her job performance and thereby better serve all segments of the District community.
- C. The administrator will submit to the supervisor a brief self-evaluation that includes an assessment of the progress on the objectives established as part of the previous evaluation and steps taken to address any areas of improvement identified in the last evaluation.
- D. The supervisor will administer confidential evaluation forms that provide feedback from:
 1. Individuals working with administrator: The supervisor and the administrator will develop a list of individuals to be surveyed. The list will include faculty, administrators, and classified staff who directly report to the administrator. For school deans, the list will include, but not necessarily be limited to, all of the department chairs and program coordinators in the school. For campus deans, the list will include, but not necessarily be limited to, department chairs and/or coordinators whose departments regularly offer courses at the campus. For other deans with district-wide responsibilities, the list will include, but not necessarily be limited to, all of the department chairs and program coordinators district-wide.
 2. Faculty, staff, and other administrators: The administrator will submit to the supervisor a proposed list of additional individuals to be surveyed (including appropriate faculty, administrators, and classified staff), not covered in #1 above. The supervisor may augment the final list of individuals to be surveyed and that list shall not be restricted to the proposed list provided by the administrator.
 3. Faculty: Faculty survey forms will be available from the Office of the Academic Senate to any faculty member who desires to provide an assessment of the administrator's performance. The purpose of the faculty survey forms is to provide additional separate feedback directly to the administrator's supervisor.

4. Students: For administrators with direct responsibility for working with individual students on a regular basis, the supervisor, in consultation with the administrator, will develop a list of individuals to be surveyed. One of the criteria for selecting students will be regular contact between the administrator and the individual student over a period of time.

Evaluation forms will be anonymous.

Ratings on the evaluation surveys will be scaled as follows:

- 5 Outstanding
- 4 Above Average
- 3 Satisfactory
- 2 Improvement Needed
- 1 Unsatisfactory
- N/A Not Applicable/Not Observed

- E. The supervisor will summarize the results of the evaluation forms and write a draft evaluation report based on the data collected from the forms (including average scores for survey items and a summary of the comments on each item) and the supervisor's assessment of the administrator's performance including, but not limited to, progress on the objectives established at the end of the previous evaluation. The supervisor will provide a rationale for the final overall rating as it relates to the numeric summary of surveys, comments on the surveys, and the supervisor's assessment. The final overall ratings for the evaluation will be

- Outstanding
- Above Average
- Satisfactory
- Improvement Needed
- Unsatisfactory

- F. The supervisor and the administrator will examine and discuss all evaluation forms submitted under the provisions of I. D. 1, 2, 3 and 4. The supervisor will review the draft of the evaluation report with the administrator and solicit feedback from the administrator. The supervisor and the administrator will develop a set of objectives for the next year based on the current year's evaluation and the goals in the annual plan that the supervisor and administrator agree are appropriate to the administrator's areas of responsibility. The supervisor will then prepare a final assessment report for review and comment by the Chancellor. The administrator has the right to attach comments or rebuttal to the final assessment report. The supervisor will meet with the Chancellor to review the final assessment report. After the Chancellor's review, the administrator will receive the final evaluation report signed by the supervisor and the Chancellor. The administrator has the right to meet with the Chancellor to appeal the evaluation. The administrator will sign off on the evaluation as an acknowledgement of receipt. The

administrator has the right to attach comments or rebuttal to the final report that will be included as part of the administrator's personnel file.

- G. Anytime an administrator receives an over-all rating of "needs improvement" or "unsatisfactory" on an evaluation, the objectives developed by the supervisor and the administrator for the following year's evaluation will clearly articulate the areas for improvement and indicate the criteria to be used to assess that improvement. The supervisor and administrator will develop a plan for professional development that will provide that administrator the opportunity to improve performance in the designated areas. The supervisor will be responsible for overseeing the implementation of the plan, providing institutional support related to the plan, and monitoring and advising the administrator on his/her progress toward meeting the objectives of the plan.

For the next annual evaluation, the supervisor will be responsible for ensuring that the progress on objectives of the plan are assessed using criteria established at the time of the previous evaluation.

II. EVALUATION AND APPOINTMENT RENEWAL

All administrators will be evaluated annually. Appointment renewal will be based on the administrator's status with the District as follows:

- A. Continuing Administrators: Each administrator has a three-year appointment that is extended for an additional year if the administrator receives a satisfactory annual evaluation. If an administrator receives a "needs improvement" or "unsatisfactory" annual evaluation, the administrator will not receive the additional year. If the administrator shows significant improvement in the following year (i.e., does not receive a "needs improvement" or "unsatisfactory" evaluation), the three-year appointment is restored. If the administrator receives a "needs improvement" or "unsatisfactory" evaluation the following year, the administrator will be given a one-year appointment. If an administrator is on a one-year appointment due to a series of less-than-satisfactory evaluations, the administrator's supervisor will be responsible for completing the evaluation for that academic year by December 15. The evaluation schedule will provide adequate time for the administrator to have the opportunity to demonstrate improvement as stipulated in the previous evaluation(s). If the administrator receives a less-than-satisfactory evaluation, the administrator will receive notification of the District's intent to terminate employment as an administrator no later than January 15 of that academic year.
- B. New Administrators: New administrators are individuals not previously employed by the District as an administrator. New administrators will receive a two-year appointment and be evaluated during the first year of service. If the new administrator receives a satisfactory evaluation, he/she will receive a three-year appointment and will be treated as a continuing administrator in future evaluations and appointment renewals. If a new administrator receives an over-all rating of "needs improvement," the new administrator

will have one-year to correct deficiencies. If the new administrator receives an over-all rating of "unsatisfactory," the Chancellor or his designee may reassign the new administrator to other administrative duties during the second year of the initial appointment.

The administrator's supervisor will be responsible for completing the evaluation for that academic year by December 15. The evaluation schedule will provide adequate time for the administrator to have the opportunity to demonstrate improvement as stipulated in the previous evaluation. If a new administrator receives a satisfactory evaluation in the second year, he/she will receive a three-year appointment and will be treated as a continuing administrator in future evaluations and appointment renewals. If the new administrator receives a less-than-satisfactory evaluation in the second year, the administrator will receive notification of the District's intent to terminate employment no later than January 15 of that academic year.

C. Continuing Administrators, Faculty or Classified Staff in New Administrative

Assignments: Continuing administrators in new assignments or former faculty/classified staff in new administrative assignments will receive an initial appointment of one year in the new assignment and the administrator's former position will be filled on a one year interim basis for that year. If the administrator receives a satisfactory evaluation in the first year in the new assignment, the administrator will receive a three-year appointment and appointment renewal will be based on the criteria for continuing administrators. If the administrator receives a less-than-satisfactory evaluation in the first year in the new assignment, the administrator will return to the former assignment.

III. OVERSIGHT COMMITTEE

- A. The Administrative Evaluation Oversight Committee is an advisory committee to the Chancellor and will be responsible for ensuring that the evaluation process was followed, was conducted appropriately, and that there was reasonable input by the constituencies described in these procedures. Each semester, each Vice-Chancellor will prepare a summary of the results of each evaluation conducted including: the name of the administrator evaluated; whether the evaluation was satisfactory or less-than-satisfactory (i.e., needs improvement or unsatisfactory); and the statistics on the number of individuals who participated in each evaluation. The Chancellor will prepare similar reports on the evaluation of Vice-Chancellors and other administrators who report directly to the Chancellor. If the Committee is concerned that the process was not followed, or was not conducted appropriately, or that there was not reasonable input by the constituencies described in these procedures, the Committee may make recommendations to the Chancellor regarding any deficiencies identified as a result of its review of the Vice Chancellors'/Chancellor's reports.

Individual evaluation reports are confidential personnel documents and therefore may not be reviewed by Committee members other than the appropriate Vice-Chancellor and the Chancellor.

- B. The Committee shall consist of: the Chancellor; each of the Vice-Chancellors; Administrators' Association Chairs; and members of shared governance bodies: the President of the Academic Senate or designee; three faculty appointed by the Academic Senate; the Chair of the Department Chairs' Council or designee; the President of the SEIU 790 (Classified); the Student Trustee or designee. When a Vice-Chancellor is presenting the results of evaluations conducted in his or her area of supervision, that Vice-Chancellor shall act in an advisory role and not as a member of the Committee in its review of those evaluations. The Committee will meet at least once each semester. The Chancellor will chair the Oversight Committee.

IV. TERM OF THIS EVALUATION PROCEDURE

These procedures will be adopted and reviewed for a two-year trial period. That trial period shall include two complete cycles of this annual evaluation process. At the end of the two-year trial period after consultation conducted by the Chancellor with appropriate parties including the Administrator's Association, these procedures may be continued.

CITY COLLEGE OF SAN FRANCISCO

50 PHELAN AVENUE • SAN FRANCISCO, CA 94112 • 415. 239.3000

Date: November 7, 2002 W1

To: Board of Trustees

From: Dr. Philip R. Day, Jr., Chancellor

Subject: **REAL ESTATE**
Authorization to contract with
Payphone Stations, Inc. to install pay
phones and to provide pay phone services
throughout District facilities starting
January 1, 2003 through December 31, 2005
with the possibility of two single year
extensions upon mutual agreement.
(Resolution No: 021107-W1)

BACKGROUND INFORMATION:

By previous Board Resolution No's. 921217-B9 and 981029-W1, the Board of Trustees approved contracts with Pacific Bell for coin operated pay telephone services campus-wide. The latest contract is coming due at the end of December, 2002 and a request for proposal was solicited. SBC (formerly Pacific Bell) and PSI (Payphone Stations, Inc.) responded to the Request for Proposal.

The proposals were reviewed by the Dean of Administrative Services and the District's Purchaser. By comparison, the PSI proposal is superior for the following reasons:

1. PSI proposes to charge 35 cents for local calls; SBC proposes to continue to charge 50 cents
2. PSI proposes to respond to service calls within 3-5 hours; SBC proposes to respond within 24 hours
3. PSI proposes to pay the District 40% of all gross revenues; SBC proposes to pay 35%
4. PSI proposes to add one additional TTY machine; SBC was silent on this issue
5. PSI proposes to bring in all new equipment and to use District logos on pay phone stations; SBC proposed to leave current equipment in place

Subject: REAL ESTATE
Authorization to Contract with
Clifford Associates for real estate appraisal services
(Resolution No. 021107-W2)

BACKGROUND INFORMATION:

The College needs the services of a professional real estate appraiser to assist in the exploration of alternative sites for the proposed Mission Campus project. The Vice Chancellor for Finance and Administration is recommending the firm of Clifford and Associates for this assignment. This resolution is retroactive because initially the College did not expect that its share of the cost would exceed \$10,000.

RECOMMENDATION:

RESOLVED: That authorization be hereby given to contract with Clifford Associates for real estate appraisal services from September 1 2002 – November 30, 2002, at a cost not to exceed \$18,000, and

FURTHER BE IT RESOLVED: That the Chancellor, Vice Chancellor of Finance and Administration and/or their designee are hereby authorized to execute any and all documents on behalf of the District to effectuate this resolution.

TO MEMBERS OF THE PUBLIC

The Agenda page and accompanying resolutions have been prepared well in advance of the regularly scheduled meeting of the Board of Trustees of the San Francisco Community College District. Please note that Resolutions are subject to amendment and replacement.

Members of the public shall have an opportunity to speak in accordance with Government Code 54954.3 and Education Code 72121.5.

You should be aware of the following (Government Code § 54954.2):

1. Additional agenda items to be acted upon by the Board may be posted at 33 Gough street and in the lobby of Conlan Hall at the Phelan Campus at least 72 hours in advance of the regularly scheduled Board Meeting. Resolutions may also be available at the time of posting, but if not, such resolutions will be available at the Board Meeting.
2. Additional agenda items and resolutions, although not posted as in paragraph 1 above, may still be acted upon by the board at the regular meeting:
 - a) Upon a determination by a majority vote of the Board that an emergency situation exists, as defined in Government Code § 54956.5. Emergency is defined as work stoppage or other activity which severely impairs public health, safety, or both as determined by a majority of the members of the Board, OR crippling disaster which severely impairs public health, safety or both, as determined by a majority vote of the members of the Board, OR
 - b) Upon a determination by a two-thirds vote of the members of the Board present at the meeting or, if less than two-thirds of the members are present, a unanimous vote of those members present, that there is a need to take immediate action and that the need for action came to the attention of the District subsequent to the agenda being posted 72 hours in advance of the Board Meeting, OR
 - c) The Item was posted 72 hours in advance of a prior meeting of the Board occurring not more than five calendar days prior to the date action is taken on the item, and at the prior meeting the item was continued to the meeting at which action is being taken.

For Members of the Public:

To facilitate the conduct of business at Board meetings, the following information has been taken from the District's Policy Manual concerning the conduct of Board Meetings.

From PM 1.05 A:

The order of business may be revised at any meeting when, in the discretion of the President, such revision will benefit the public and/or order of the meeting.

From PM 1.05 L:

L. Granting the Privilege of the Floor. A person desiring to speak shall be recognized by the Chair only after complying with the following procedures:

For matters appearing on the agenda, an individual desiring to address the Board must complete a "Request to Address Board" card, completing the information thereon including the subject to be addressed. If there is to be a written report presented, a copy(ies) shall be submitted in advance to the Chancellor.

Any person desiring to address the Board on non-agenda items must also complete the "Request to Address Board" card and will be recognized at the end of the agenda. Only items directly related to District business may be presented.

Cards for these purposes are available in the Office of the Chancellor and also at the Board meeting. Completed cards should be presented to the Board President prior to the beginning of the meeting. As a matter of courtesy, the Board encourages people to notify the Chancellor's Office in advance of the Board meeting of their intention to address the Board. Prior to calling for a vote on an item before the Board, the Presiding Officer shall determine if speaker cards have been submitted for that item. Persons who have submitted cards prior to the consideration of the item shall be called upon by the Presiding Officer. Persons who address the Board may address only the agenda item being considered and shall have up to three minutes for comments. Should another person who has submitted a request to speak card in advance of consideration of the item wish to forego speaking on that item, he or she may grant his or her speaking time to another speaker who has also submitted a request to speak card, but in no event shall any speaker have more than two allotments (totaling up to six minutes) of speaker time on any item. However, in order to facilitate the completion of District business, the Presiding Officer may also limit the total length of time allotted to the speakers on a given topic or agenda item which may reduce the individual speaker's time on that topic or item. Speaking too long, being unduly repetitious, or discussing irrelevancies disrupt the meeting, and may result in the forfeiture of speaking opportunities during that meeting.

No oral presentation shall include charges or complaints against any employee of the Board, or otherwise present information, which does not relate directly to the topic at hand or which disrupts or impedes the meeting. All formal charges or complaints against employee, for which a specific grievance or complaint process is not otherwise available, shall be in writing and signed by the person making the charge and shall be filed with the Chancellor who shall, after investigation, take or recommend appropriate action. There shall be no oral presentation or discussion of confidential formal charges or complaints in open public meetings of the Board on Non-agenda items or unless otherwise required by law.

The President of the Board reserves the right of determining the order of the speakers and changing the order of the agenda if it will be of benefit to the public and/or the order of the meeting.

Undue interruptions or other interference's with the orderly conduct of Board business cannot be allowed. Defamatory or abusive personal remarks which disturb or impede the meeting or exceed the bounds of civility necessary to the conduct of District business are always out of order. However, the Board shall not prohibit public criticism of the policies, procedures, programs, or services of the District, or of the acts or omissions of the Board.

The President may terminate the speaker's privilege of address if after being called to order, he or she persists in improper conduct or remarks, or if the speaker fails to speak on the subject matter for which the privilege of the floor was granted.

No oral presentation shall include charges or complaints against any employee of the Board, or otherwise present information, which does not relate directly to the topic at hand or which disrupts or impedes the meeting. All formal charges or complaints against an employee, for which a specific grievance or complaint process is not otherwise available, shall be in writing and signed by the person making the charge and shall be filed with the Chancellor who shall, after investigation, take or recommend appropriate action. There shall be no oral presentation or discussion of confidential formal charges or complaints in open public meetings of the Board on non-agenda items or unless otherwise required by law.

Comments or presentations made by members of the public to the Board do not necessarily reflect the opinion of the Board or of its individual members, nor does the Board necessarily endorse or sanction such comments or presentations. Persons who address the Board on matters of their choosing are solely responsible for the content of such comments or presentations.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and the role of the accounting department in ensuring the integrity of the financial data.

2. It is essential for the company to have a clear understanding of its financial position at all times, and this can only be achieved through a robust system of record-keeping and reporting.

3. The accounting department is responsible for providing timely and accurate information to management, which is crucial for making informed decisions about the company's future.

4. In addition, the department must ensure that all financial transactions are properly documented and that the company's financial statements are prepared in accordance with the relevant accounting standards.

5. The document also highlights the need for regular audits and reviews to identify any potential areas of concern and to ensure that the company's financial controls are effective.

6. Finally, it emphasizes the importance of maintaining a high level of transparency and accountability in all financial dealings, which is essential for building trust with stakeholders and ensuring the long-term success of the company.

Subject: **GENERAL FUND**

**Adoption of Nonresident Tuition Fee Rate in Grades 13
and 14 for the Fiscal Year 2003-04
(Resolution No. 021121-B1)**

BACKGROUND INFORMATION:

The California Education Code, beginning with Section 76140, sets forth the relevant law as it relates to nonresident tuition fees rates in grades 13 and 14 . It distinguishes between nonresident students who are U.S. Citizens (out-of-state) and nonresident students who are citizens of a foreign country (out-of-country) and establishes criteria used for the setting of tuition fee rates for both groups.

While the cost of providing instruction and related services has increased significantly since 1996, the fees City College charges for non-resident tuition have not been raised at all during the past six years. The rate for fiscal year 2002-2003 is:

\$130.00 per semester unit

\$ 6.00 per semester unit for capital outlay

The \$6.00 per semester unit for the capital outlay fee is calculated each fiscal year based upon the prior fiscal year's expenditure for capital outlay. The law precludes the College from charging this fee to out-of state students and only allows it to be charged to out-of-country students.

The Vice Chancellor for Finance and Administration and the Chief Financial Officer recommend that in accordance with state regulations, the rates for fiscal year 2003-04 be set at \$144.00 per semester unit and \$ 9.00 per semester unit for capital outlay. All other policies, rules, and regulations relating to exemptions, refunds, and economic hardship/victims of persecution or discrimination for fiscal year 2003-2004 remain the same as in fiscal year 2002-03.

As the table below shows, the District's recommended rates for next fiscal year, 2003-04, are equal to the lowest rates charged by our contiguous Bay Area community colleges for the current fiscal year, 2002-03. Since it is likely that these other colleges will increase their rates for 2003-04 once again, it is also likely that our rates will remain the lowest in the immediate Bay Area during 2003-04.

	2003-04 Proposed CCSF	2002-03 Contra Costa	2002-03 San Mateo	2002-03 Marin	2002-03 Peralta
Tuition Rate	\$ 144.00	\$ 138.00	\$ 148.00	\$ 157.00	\$ 175.00
Capital Outlay		\$			
Fee	\$ 9.00	\$ 15.00	\$ 7.00	\$ 11.00	\$ 8.00
Total	\$ 153.00	\$ 153.00	\$ 155.00	\$ 168.00	\$ 183.00

The actual calculations the state requires for determining non-resident tuition fees are shown on Attachment A. Column 3 of the attachment is designed for districts with more than 10% noncredit FTES like City College. As the table below shows, the actual cost to City College of providing education to non-resident students is \$160 per credit, or \$16 more per unit than this resolution proposes.

	Statewide Average	Cost to SFCCD without Non Credit Adjustment	Actual Cost to SFCCD with Non Credit Adjustment
Tuition Rate	\$ 141	\$148	\$160

The calculation for capital outlay is shown in the middle of Attachment A and shows \$19.21 per unit, or about \$10 more per unit than this resolution proposes to charge.

It is estimated that the proposed increase would generate approximately \$625,000 in revenue. The table below shows the proposed budget for this revenue.

Faculty salaries as provided by labor agreement *	\$220,000
Staffing for SEVIS**	\$ 70,000
Student Health Center Counseling	\$ 30,000
Academic Counseling	\$ 65,000
Int'l Students Services Coordinator	\$ 30,000
Support for District operating budget	<u>\$210,000</u>
Total	\$625,000

* Assumes new contract operates on a formula basis

** SEVIS is the Student Information and Exchange Visitor Information System. The new SEVIS regulations require institutions like City College to report to the INS information related to foreign students such as enrollment status changes, address changes, and employment related data in a prompt manner. The costs shown above are only the direct costs to the College, there also significant impacts on several areas within Student Development related to workload.

RECOMMENDATION:

RESOLVED: That in accordance with California Education Code Sections 76140 and 76141, the out-of-state per semester unit fee rate of \$144 and out-of-country per semester unit fee rate of \$153 (including a \$9 capital outlay fee) be adopted for non-resident students enrolled for the Fiscal Year 2003-04, and

FURTHER BE IT RESOLVED: That not less than \$195,000 of the estimated \$625,000 in additional revenue will be spent on additional student services, and

FURTHER BE IT RESOLVED: That the Chancellor, Vice Chancellor of Finance and Administration and/or their designee are hereby authorized to execute any and all documents on behalf of the District to effectuate this resolution.

SUBJECT: GENERAL FUND
Authorization to Enter Into a Capital Lease
Agreement with University Leasing
(Resolution No. 021121-B2)

BACKGROUND INFORMATION:

For fiscal year 2002-2003, the College has received \$1,453,145 in Instructional Block Grant funds from the State, and the Vice Chancellor of Academic Affairs, with the approval of the Planning and Budgeting Council, has allocated \$124,385 for the acquisition of computer lab equipment to upgrade student labs at the Ocean Campus, Mission Campus and in the Rosenberg Library. In order to stretch the funds and allow more computers to be acquired, the College wishes to enter into a 3-year agreement for a capital lease (lease/purchase) of the computers with University Leasing. This will allow the College to purchase from OmniPro, the same computer vendor that was approved in September 2002 for the purchase of faculty/staff computers. The computer equipment will be leased this fiscal year, and the total three-year cost not to exceed \$250,000.

As with the previous computer lease, the source of funds will be Instructional Equipment Block Grant from the State.

RECOMMENDATION:

RESOLVED: That authorization to enter into a Capital Lease Agreement with University Leasing for the purpose of leasing desktop computers for a total three-year cost not to exceed \$250,000, and

FURTHER BE IT RESOLVED: That the Chancellor, Vice Chancellor of Finance and Administration, and/or their designee are hereby authorized to execute any and all documents on behalf of the District to effectuate this resolution.

Authorization to Contract with Oracle Credit Corp
(Resolution No. 021121-B3)

BACKGROUND INFORMATION:

Oracle database software has been used by City College of San Francisco to manage and protect its mission critical data such as student information, financial and personnel data since first installing SCT Banner in 1993. The Oracle database is the foundation of the Banner program, and as such we have been able to improve the efficiency of Banner by switching to new Oracle database technology as it becomes available. This resolution will authorize City College to enter into a contract with Oracle Credit Corp to provide financing for licenses for software allowing City College to take advantage of the flexibility that web-based services provide. **Internet Application Server – Enterprise Edition** will allow City College to access its Banner data via a web browser such as Internet Explorer, resulting in improved access and increased performance.

The purchase price of \$83,000, which includes one year of Update Subscription services, will be paid via four annual payments of \$20,750. This purchase is being financed at 0.0% interest. After the fourth payment, City College will own a perpetual license for this product. This purchase will be paid out of the general fund.

RECOMMENDATION:

RESOLVED: That authorization be hereby given to contract with Oracle Credit Corp. to provide financing for software licenses and Update Subscription services to the District beginning November 22, 2002 at a cost not to exceed \$83,000, and

(Resolution No. 021121-B4)

BACKGROUND INFORMATION:

Project: *Chinatown/North Beach Campus Architectural & Engineering Consultant*

In August 1998, the Friends of the Colombo Building et al. filed a lawsuit against City College related to the College's proposal for a new Chinatown/North Beach Campus. In June 1999, the two parties settled the lawsuit with a formal agreement that committed the College to preserving the Colombo Building and also included several provisions regarding the design of the new campus. Specifically, the agreement created an Architectural Selection/Design Review Committee (ASDRC) comprised of ten members including at least four representatives from the Friends of the Colombo Building.

The settlement agreement also stipulated that the ASDRC will make the final recommendation for selecting the Project Architect as well as the final recommendation for the design of the project to the College Board of Trustees. The agreement further states that if the Board does not accept these recommendations, "the ASDRC shall reconvene and make a further recommendation to the Board". The ASDRC has now completed its work related to the selection of a design team and the Chancellor is presenting their selection to the Board of Trustees for approval.

The ASDRC used a comprehensive outreach effort to encourage prospective architectural firms and sub-consultants to respond to the "Request for Qualifications" for the Chinatown/North Beach Campus Architectural & Engineering Consultant. About two-hundred fifteen (215) RFQ booklets were issued to respondents. To more completely understand the selection process, interested firms were invited to an informational meeting where the details of the process were discussed, including the importance of complying with the College's new SLBE policy and the related goals for participation. Over one-hundred (100) individuals attended the informational meeting, and eight (8) design teams submitted responses to the RFQ. These eight (8) responses were reviewed by a diverse selection committee that included College staff and community representatives.

Each committee member read all of the responses and rated each submittal according to the same criteria that were published in the RFQ and reviewed at the informational meeting. These criteria included recent higher education facility design experience, historic architecture preservation experience, availability of team members to take on a project of this size, and demonstrated expertise with all phases of project management. The submittals were

also reviewed by Norma Nelson, Contract Compliance Officer, to determine compliance with the College's stated goals for SLBE participation. Additional points were awarded to the scores of those submittals where the architectural firms were certified SLBEs.

The scores were then tabulated and the top five (5) firms were invited to participate in the First Interviews. The selection committee met to establish the questions that would be asked during the First Interviews, and these were reviewed by the Contract Compliance Officer. The questions covered many topics including the importance of community consensus and project stakeholder support, controlling project cost, knowledge of unique program requirements, and the need to effectively handle state approval processes. After the First Interviews, the first and second ranked teams, EHDD/Barcelon & Jang (a joint venture) and Skidmore, Owings & Merrill (firm only), were invited for the Final (Second) Interviews, consisting of development and presentation of a conceptual design. The committee selected [name of firm] after the Final Interviews forwarded their recommendation to the Chancellor.

The Chancellor approved [name of the selected a/e team] to be recommended to the Board to provide architectural/engineering services for the Project: Chinatown/North Beach Campus Architectural & Engineering Consultant. The services provided by the prime consultant and their sub-consultants may include, but are not limited to, architectural design and program planning; historic architecture preservation; engineering consulting services such as civil, electrical, mechanical, and structural engineering; cost estimate; and scheduling and other services.

A preliminary budget for this contract has been established. However, additional analysis of the proposal and negotiated scope of work and project deliverables is needed to determine the final budget. This contract for architectural planning services will be paid for with proceeds from the sale of general obligation bonds authorized in 2001 elections.

RECOMMENDATION:

RESOLVED: That authorization be given to contract with [name of selected A/E firm] from January 1, 2003 through September, 2007 for special services and advice to provide the District with architectural and engineering services, for the Project: Chinatown/North Beach Campus Architectural & Engineering Consultant at a cost not to exceed \$5,900,000, and

**Authorization to Contract with Geographic Travel to
Offer a Study Abroad Program in China, Summer
2003**

(Resolution No. 021121-B9)

BACKGROUND INFORMATION:

On January 26, 1995 the Board of Trustees approved a Board Resolution to create a Study Abroad Program for a summer program in China.

City College of San Francisco offered Study Abroad Programs in China in the summer of 1995, and again for five consecutive summers from 1998 - 2002.

On February 24, 2000 the Board of Trustees approved a Board Resolution to request proposals from qualified contractors to provide the necessary transportation and on-site logistical services associated with Study Abroad Programs in China.

On August 31, 2000, the Board of Trustees approved a Board Resolution to contract with Geographic Travel for the Summer 2001 Study Abroad Program in China, and on October 25, 2001, the Board of Trustees approved a Board Resolution to contract with Geographic Travel for the Summer 2002 Study Abroad Program in China and Mongolia .

Geographic Travel is now proposing their services for summer semester 2003 in China, for the period from June 21 to July 8, 2003. Cost per student, which includes R/T airfare between San Francisco and China, housing, three meals per day, air and ground transportation within China and health and accident insurance is \$2686, based on a minimum of 15 students.

Based upon the criteria of our requirements and Geographic Travel's prices and policies, and our past experience with them, we are now requesting to contract with the firm of Geographic Travel to provide the necessary travel arrangements for a "Summer in China 2003" program.

Geographic Travel will work closely with the Financial Aid Office at CCSF and make special efforts to adjust payment dates according to financial aid disbursement dates for those students who have successfully applied for financial aid. Geographic Travel will also work with the college to explore options that would afford low-income students the opportunity to actively participate in study abroad programs.

The program will offer transferable credit in Asian Studies. The costs of the program will be borne by the students. The District shall not expend any funds for transportation, housing, meals or incidentals.

Students who meet the academic and financial criteria are eligible for both state and federal financial aid while participating in a CCSF study abroad program.

RECOMMENDATION:

RESOLVED: That authorization is hereby given to contract with Geographic Travel for logistical and program arrangements to and within China, in connection with a credit program, from June 21 to July 8, 2003, and

FURTHER BE IT RESOLVED: That the Chancellor, Vice Chancellor of Finance and Administration, and/or their designee are hereby authorized to execute any and all documents on behalf of the District to effectuate this resolution.

Authorization to Conduct a Study Abroad Program to Florence, Italy Fall 2003 - Spring 2004 and to Contract with ACCENT

(Resolution No. 011115- B10)

BACKGROUND INFORMATION:

On October 28, 1999, the Board of Trustees adopted resolution no. 991028-S3 authorizing the San Francisco Community College District to conduct excursions to Florence, Italy, and on November 15, 2001, resolution no. 011115-B14 authorizing the San Francisco Community College District to contract with ACCENT International Consortium for Academic Programs Abroad, Ltd, to obtain travel and educational program arrangements, with costs to be borne by the students for Fall 2002 and Spring 2003.

Based upon a comparison of cost, value, and activities, the criteria of our requirements, and their price and policies, we are now requesting to renew our contract with ACCENT International Consortium for Academic Programs Abroad, Ltd for Fall 2003 and Spring 2004 in Florence.

The proposal for "Semester in Florence" Fall 2003/Spring 2004 is based on the cost of activities, housing, excursions and ground transportation within Italy, and student medical insurance. The proposal is follows:

Fall 2003: August 31, 2003 - November 26, 2003 (86 days)

Fall program cost (based on a minimum of 20 participants): \$5150

Spring 2004: February 29, 2004 - May 28, 2004 (88 days)

Spring program cost (based on a minimum of 20 participants): \$5150

ACCENT has insurance coverage of \$3 million for general liability, errors and omissions issued by Calender-Robinson Co., Inc., General Insurance Brokers. City College of San Francisco is listed as an additional insured on the policy.

ACCENT will continue to work very closely with the financial aid office at CCSF and make special efforts for delayed payments from those students who have successfully applied for financial aid. About 25-30% of CCSF students fall into this category and to our knowledge, ACCENT is the only organization that allows deferred payments until mid-semester. Furthermore, ACCENT will continue to offer **\$1,000** in scholarships per semester for Florence for those students coming from CCSF and the Bay Area who fulfill the criteria.

Students who meet the academic and financial criteria are eligible for both state and federal financial aid while participating in a CCSF study abroad program.

RECOMMENDATION:

**Authorization to submit renewal applications for funds and to appropriate all funds receivable upon approval by the California State Department of Education/Child Development Division
(Resolution No. 021121 – B13)**

BACKGROUND INFORMATION:

The California State Department of Education/Child Development Division has again requested that City College of San Francisco apply for funds to continue existing child development programs as follows:

- 1) Center Based Child Development Program through 2003-04. Funding for 2002-03 totaled \$435,354 and the request for 2003-04 totals \$435,354. The purpose of the Center Based Child Development Program is to provide center based child development services (preschool-3rd grade) for low income families in San Francisco county. Families must meet the state guidelines for certification.
- 2) State Preschool Part-Day Program through 2003-04. Funding for 2002-03 totaled \$309,590 and the request for 2003-04 totals \$309,590. The purpose of the State Preschool Part-Day Program is to provide educational opportunities for 175 low income families with children 3-5 years of age. Families must meet the state guidelines for certification.
- 3) State Preschool Full-Day Program through 2003-04. Funding for 2002-03 totaled \$1,101,333 and the request for 2003-04 totals \$1,101,333. The purpose of the State Preschool Full-Day Program is to provide full-day educational opportunities for low income families with

children 3-5 years of age. Families must meet the state guidelines for certification.

- 4) The Federal Child Care and Development Block Grant services at Grace Child Development Center through 2003-04. Funding for 2002-03 totaled \$26,266 and the request for 2003-04 totals \$26,266. The purpose of the Grace Child Development Center Program is to provide full day educational opportunities for low income families with children 3-8 years of age. Families must meet the state guidelines for certification.

It should be noted that because of the changing nature of these programs and CCSF's policies, it may become necessary for City College to make a general fund contribution to the State Preschool and Center Based Programs.

SUBJECT: CONTRACTS

**Authorization to contract with University of
California-San Francisco
(Resolution No. 021121-B14)**

BACKGROUND INFORMATION:

This resolution seeks the Board's authorization to contract with University of California-San Francisco (UCSF) to establish a post-doctoral research assistant position at UCSF to work on the Fix-a-Gene Project. The candidate who fills this position will perform research on the development of a treatment for a genetic skin disorder called xeroderma pigmentosum (XP), which will serve as the basis for the curriculum created for CCSF's Fix-a-Gene project. This post-doctoral research assistant will work closely with PI/Project Director Valerie Natale and Co-PI Philip Jardim to ensure incorporation of her/his research into the curriculum and subsequent instructional materials.

CCSF received an award from the National Science Foundation in April 2002 to establish the Fix-a-Gene Project (Resolution No. 01115-B27). The project consists of two primary components: (1) developing the aforementioned curriculum and instructional materials that provide community college students with actual research experience as a core part of their instruction, and (2) designing a recruitment strategy to attract a variety of students and retain them.

The contract is for no more than \$51,480 for the period of December 1, 2002 through November 30, 2003. Funds are from the first year allocation of the Fix-a-Gene grant from the National Science Foundation.

RECOMMENDATION:

RESOLVED: That authorization be given to contract with University of California-San Francisco to establish a post-doctoral research assistant position for the period December 1, 2002 through November 30, 2003 in the amount not to exceed \$51,480 and

Authorization to contract with Santa Rosa Junior College (Resolution No. 021121-B15)

BACKGROUND INFORMATION :

This resolution seeks the Board's authorization for CCSF's Regional Health Occupations Resource Center (RHORC) to contract with Santa Rosa Junior College (SRJC) to provide training for specialty nurses. SRJC will serve as the lead agency in the Santa Rosa Junior College/Napa Valley College and College of Marin Educational Consortium, a subgroup of the Northern and Interior Bay Area RHORC led by CCSF. This initiative is a response to the severe specialty nursing shortages in Sonoma, Marin, and Napa counties.

SRJC will hold training sessions in clusters convenient to the nursing population of the three regions. It will develop curricula appropriate for the specialty areas as identified by the partnership hospitals including: pediatrics, medical/surgery, emergency, perioperative, and labor and delivery. SRJC will also be open to other areas as needed by the hospitals. SRJC will hold the skills laboratory and clinical phase at the partnership hospitals and will train a total of 60 specialty nurses.

Santa Rosa Junior College was chosen as the lead agency because it is considered an educational center for regional health care providers. It has programs for registered nursing, licensed vocational nursing, nursing assistants, home health aides, psychiatric technicians, medical assisting, community health workers, Radiologic technicians, dental assistants, dental hygienists, pharmacy technicians, surgical technicians (in collaboration with Skyline College), and a career ladder from LVN to RN.

The contract is for no more than \$91,154 for the period of November 22, 2002 through January 31, 2003. SRJC will be paid through an augmentation received by the RHORC from the State Chancellor's Office in February 2002 (020228-B10).

Acceptance of Gifts
(Resolution No. 021121-C3)

BACKGROUND INFORMATION

SFCCD Policy Manual Section 8.08 Acceptance of Gifts provides that (1) motor vehicles, (2) aircraft, (3) cash exceeding \$250, (4) securities, (5) precious stones, (6) precious metals, (7) goods other than (1) or (2) above with a market value exceeding \$1,500, be accepted by the SFCCD only by resolution of the Board of Trustees.

RECOMMENDATION:

WHEREAS: The SFCCD has been tendered the gifts detailed in Attachment A;

WHEREAS: Vice Chancellor of Academic Affairs Frances Lee declares that these gifts will enhance the instructional program of the San Francisco Community College District;

THEREFORE BE IT RESOLVED: That the Chancellor and the Vice Chancellor of Finance and Administration or their designees, are hereby authorized to accept the gifts listed on Attachment A for and in the name of the San Francisco Community College District;

FURTHER BE IT RESOLVED: That upon transfer of legal title of these gifts described in Attachment A, the Secretary of the SFCCD Board of Trustees is directed to notify the donors of acceptance of the gifts by the governing board.

Subject: **DISPOSAL OF EQUIPMENT**
Disposal of Personal Property with Insufficient
Sales Value
(Resolution No. 021121-C4)

BACKGROUND INFORMATION:

It has been determined that the property identified in Schedule A is unsatisfactory and not in serviceable condition, and is of insufficient value to defray cost of arranging a Sale. It is recommended that the property be disposed of through recycling or through Regular waste disposal services.

California Education Code Section 81452 reads in part as follows: “ (c) If the Board by a Unanimous vote of those members present, finds that the property is of insufficient value to defray the cost of arranging a sale, it may be disposed of in the local public dump”.

The College has implemented a program where it makes such property available to Got Junk and Scarp Scrounger's center for reusable art parts, non profits organizations, prior to disposal.

RECOMMENDATION:

RESOLVED: That authorization is hereby granted to dispose of all unsatisfactory and unserviceable equipment listed on Schedule A,

FURTHER BE IT RESOLVED: That the Chancellor, Vice Chancellor of Finance and Administration, and/or their designee are hereby authorized to execute any and all documents on behalf of the College to effectuate this resolution.

Authorization to amend employment Contract (s)
(Resolution No. 021121 - L1)

BACKGROUND INFORMATION:

The Board of Trustees by Resolution No. 791120-B1 has made available to its employees the provisions of Section 403 (b) of the United States Internal Revenue Code and Section 17501 of the California Revenue and Taxation Code.

Employees of the San Francisco Community College District may enter into an amendment of their employment contracts for the purpose of effecting a reduction in the salaries paid to such employees, and that for each employee who voluntarily elects to accept such reduction in his or her salary, the San Francisco Community College District shall, as directed by such employee, a) purchase, with an amount equal to the reduction in salary, a nontransferable annuity contract issued by an insurance company selected by the employee concerned, or b) contribute an amount equal to such reduction in salary to a custodial account of a custodian selected by the employee, in which all rights under said custodial account shall be exercisable by the employee concerned.

RECOMMENDATION:

RESOLVED: That the Board of Trustee of the San Francisco Community College amend employment contract for the purpose of (a) purchasing tax sheltered annuities, (b) contributing to tax sheltered custodial accounts, for those employees requesting such purchases or contributions, and (c) termination of the amendment to employment contract, complying with the provisions of Section 403 (b) of the United States Internal Revenue Code, and Section 17501 of the California Revenue and Taxation Code.

TO: Board of Trustees

FROM: Dr. Philip R. Day, Jr., Chancellor

SUBJECT: SETTLEMENT

**Authorizing the Administration to enter Into a Settlement Agreement and Release of All Claims Between AFT Local 2121, Nathan Atkinson, and the San Francisco Community College District
(Resolution No. 021121-Q1)**

BACKGROUND INFORMATION:

In order to resolve a disputed claim lodged with the District by AFT Local 2121 on behalf of Nathan Atkinson, the Administration has negotiated with Nathan Atkinson through his Union representative and has reached a tentative settlement. This Resolution seeks to obtain the authority of the Board of Trustees for the Administration to enter into a Settlement Agreement with AFT Local 2121 and Nathan Atkinson in return for AFT Local 2121's and Nathan Atkinson's release of the District from all claims, demands, grievances, further obligations and liability arising out of Nathan Atkinson's employment with the District.

RECOMMENDATION:

RESOLVED: That the Board of Trustees authorizes the Administration to enter into a non-precedent-setting, one-time-only Settlement Agreement with AFT Local 2121 and Nathan Atkinson in return for AFT Local 2121's and Nathan Atkinson's release of the District from all claims, demands, grievances, further obligations and liability arising out of Nathan Atkinson's employment with the District.

FURTHER BE IT RESOLVED: That the terms of the Settlement Agreement and Release of All Claims Between AFT Local 2121, Nathan Atkinson, and the San Francisco Community College District be consistent with the parameters of the tentative settlement between the Administration and AFT Local 2121, on behalf of Nathan Atkinson.

FURTHER BE IT RESOLVED: That the Chancellor, Vice Chancellor of Finance and Administration and/or their designee are hereby authorized to execute such

Settlement Agreement and Release of All Claims Between AFT Local 2121,
Nathan Atkinson, and the San Francisco Community College District.

TO: Board of Trustees

FROM: Dr. Philip R. Day, Jr., Chancellor

SUBJECT: SETTLEMENT

**Authorizing the Administration to enter Into a Settlement Agreement and Release of All Claims Between AFT Local 2121, John D. Seckman, and the San Francisco Community College District
(Resolution No. 021121-Q2)**

BACKGROUND INFORMATION:

In order to resolve a disputed claim lodged with the District by AFT Local 2121 on behalf of John D. Seckman, the Administration has negotiated with John D. Seckman through his Union representative and has reached a tentative settlement. This Resolution seeks to obtain the authority of the Board of Trustees for the Administration to enter into a Settlement Agreement with AFT Local 2121 and John D. Seckman in return for AFT Local 2121's and John D. Seckman's release of the District from all claims, demands, grievances, further obligations and liability arising out of John D. Seckman's employment with the District.

RECOMMENDATION:

RESOLVED: That the Board of Trustees authorizes the Administration to enter into a non-precedent-setting, one-time-only Settlement Agreement with AFT Local 2121 and John D. Seckman in return for AFT Local 2121's and John D. Seckman's release of the District from all claims, demands, grievances, further obligations and liability arising out of John D. Seckman's employment with the District.

FURTHER BE IT RESOLVED: That the terms of the Settlement Agreement and Release of All Claims Between AFT Local 2121, John D. Seckman, and the San Francisco Community College District be consistent with the parameters of the tentative settlement between the Administration and AFT Local 2121, on behalf of John D. Seckman.

FURTHER BE IT RESOVLED: That the Chancellor, Vice Chancellor of Finance and Administration and/or their designee are hereby authorized to execute such Settlement Agreement and Release of All Claims Between AFT Local 2121, John D. Seckman, and the San Francisco Community College District.

**Adopting a Successor Collective Bargaining Agreement between the San Francisco Community College District and the Department Chairperson Council, for the period January 1, 2003, through December 31, 2005
(Resolution No. 021121-S1)**

BACKGROUND INFORMATION:

On May 30, 2002, by Resolution No. 020530-S1, the Board of Trustees presented the Initial Proposals of the Department Chairperson Council ("DCC") and of the San Francisco Community College District ("District") for a Successor Collective Bargaining Agreement and established the June 2002 public Board of Trustees Meeting for public response to the Initial Proposals. On June 27, 2002, by Resolution No. 020627-S5, the Board of Trustees adopted the Initial Proposal of the District for a Successor Collective Bargaining Agreement, after public comment. On October 30, 2002, representatives of the District and of the DCC reached tentative agreement on the provisions of a Successor Collective Bargaining Agreement ("Agreement") on behalf of the District and the DCC for the period January 1, 2003, through December 31, 2005. On November 14, 2002, the DCC ratified the Agreement. The Board of Trustees, pursuant to Government Code Section 3547.5, has disclosed at a public meeting the major provisions of the Agreement, including costs to be incurred under the Agreement for the time period covered by the Agreement.

RECOMMENDATION:

RESOLVED: The Board of Trustees of the District approves, ratifies and adopts the Agreement reached between the District and the DCC, a copy of which is on file with the Secretary of the Board of Trustees and by this reference is made a part of this Resolution as though fully set forth herein, and that the term of said Agreement be from January 1, 2003, through December 31, 2005;

Presenting the Initial Proposals of the Service Employees International Union, Local 790, and of the San Francisco Community College District for a Successor Collective Bargaining Agreement, and Placing a Special Order of Business on the Agenda for a Public Board of Trustees Meeting in December 2002 for Public Response to the Initial Proposals (Resolution No. 021121-S2)

BACKGROUND INFORMATION:

The Collective Bargaining Agreement between the San Francisco Community College District ("District") and the Service Employees International Union, Local 790 ("SEIU") will expire under its own terms on June 30, 2003. On November 20, 2002, representatives of the SEIU submitted to the Board of Trustees, through the Administration, the SEIU's Initial Proposals for a Successor Collective Bargaining Agreement. The Administration, on behalf of the Board of Trustees, has prepared the District's Initial Proposals for a Successor Collective Bargaining Agreement. Government Code Section 3547 reads in relevant part that (a) all initial proposals of exclusive representatives and of public school employers, which relate to matters within the scope of representation, shall be presented at a public meeting of the public school employer and thereafter shall be public records, and (b) meeting and negotiating shall not take place on any proposal until a reasonable time has elapsed after the submission of the proposal to enable the public to become informed and the public has the opportunity to express itself regarding the proposal at a meeting of the public school employer.

RECOMMENDATION:

RESOLVED: That the Board of Trustees hereby publicly presents the Initial Proposals of the SEIU and of the District for a Successor Collective Bargaining Agreement, copies of which are on file with the Chancellor's office, are available for inspection, and are hereby incorporated by reference as part of this Resolution;

FURTHER BE IT RESOLVED: That a Special Order of Business be placed on the Agenda for a public Board of Trustees meeting in December 2002 to enable members of the public to express themselves regarding the Initial Proposals.

Authorization to establish a Deferred
Compensation Plan and to issue a Request for
Proposal for a Plan Administrator.
(Resolution No. 021121-S3)

BACKGROUND INFORMATION:

Last year Congress passed the Economic Growth and Tax Relief Reconciliation Act of 2001 (EGTRRA), which eliminated the requirement that participants in both a Section 403(b) and a Section 457(b) deferred compensation plan aggregate their contributions to the plans under a combined limit. Prior to EGTRRA, individuals who contributed to both a 403(b) and a 457(b) plan were subject in aggregate to the limit applicable to Section 457(b) plans, which was less than the limit applicable to Section 403(b) Plans. As a result the District maintained only a 403(b) plan with its higher annual contribution limit. Since the passage of EGTRRA, District employees will be able to make the maximum contribution to both the 403(b) and 457(b) plans. For 2003, District employees will be able to contribute on a tax-deferred basis, \$12,000 to each plan plus an additional \$2,000 to each plan if they are at least fifty years old.

Maintenance of both a 403(b) and a 457(b) Deferred Compensation Plan will effectively double the amount of income District employees will be able to save each year on an income tax deferred basis, and will maintain the District's competitive position for hiring new employees.

Section 457(b) Plans require the employer to maintain a formal plan which makes investment options available that are appropriate to a retirement plan, and allows the District to contract with a plan administrator to carry out the record keeping and tax compliance functions for the plan, as well as providing educational services to participants about retirement planning and investment selection. Any charges for services performed by the plan administrator will be born by the plan participants. The District will conduct a competitive process, including issuance of a Request for Proposal, to select the administrator who

provides the best combination of investment options and service at minimal cost to the participants.

Subcontracts Related to Grants
(Resolution No. 021121-S4)**

BACKGROUND INFORMATION:

This resolution authorizes the Chancellor to approve all grant-funded subcontracts less than or equal to \$50,000 in cases where approval for the appropriation of funds for that grant (if applicable) has been received per S-Resolution 020228-S5. S-Resolution 020228-S5 authorizes the Chancellor to approve the appropriation of grant funds when the funder's matching requirement does not exceed \$50,000.

Grant-funded subcontracts that exceed \$50,000 will require Board approval.

The Chancellor shall submit a monthly Information Only Report to the Board on the status of grant-funded subcontracts.

RECOMMENDATION:

RESOLVED: That authorization is hereby given to the Chancellor to approve grant-funded subcontracts less than or equal to \$50,000, and

FURTHER BE IT RESOLVED: That the Chancellor shall also submit Information Only monthly reports to the Board on the status of grant-funded subcontracts.

FURTHER BE IT RESOLVED: That such subcontracts be subject to Board action pursuant to Education Code section 81655.

FURTHER BE IT RESOLVED: That the Chancellor, Vice Chancellor of Finance and Administration and/or their designee are hereby authorized to execute any and all documents on behalf of the District to effectuate this resolution.

TO MEMBERS OF THE PUBLIC

The Agenda page and accompanying resolutions have been prepared well in advance of the regularly scheduled meeting of the Board of Trustees of the San Francisco Community College District. Please note that Resolutions are subject to amendment and replacement.

Members of the public shall have an opportunity to speak in accordance with Government Code 54954.3 and Education Code 72121.5.

You should be aware of the following (Government Code § 54954.2):

1. Additional agenda items to be acted upon by the Board may be posted at 33 Gough street and in the lobby of Conlan Hall at the Phelan Campus at least 72 hours in advance of the regularly scheduled Board Meeting. Resolutions may also be available at the time of posting, but if not, such resolutions will be available at the Board Meeting.
2. Additional agenda items and resolutions, although not posted as in paragraph 1 above, may still be acted upon by the board at the regular meeting:
 - a) Upon a determination by a majority vote of the Board that an emergency situation exists, as defined in Government Code § 54956.5. Emergency is defined as work stoppage or other activity which severely impairs public health, safety, or both as determined by a majority of the members of the Board, OR crippling disaster which severely impairs public health, safety or both, as determined by a majority vote of the members of the Board, OR
 - b) Upon a determination by a two-thirds vote of the members of the Board present at the meeting or, if less than two-thirds of the members are present, a unanimous vote of those members present, that there is a need to take immediate action and that the need for action came to the attention of the District subsequent to the agenda being posted 72 hours in advance of the Board Meeting, OR
 - c) The Item was posted 72 hours in advance of a prior meeting of the Board occurring not more than five calendar days prior to the date action is taken on the item, and at the prior meeting the item was continued to the meeting at which action is being taken.

Introduction

The purpose of this study is to investigate the effects of the proposed system on the performance of the system. The study is divided into two main parts: a theoretical analysis and an experimental evaluation.

The theoretical analysis is based on the principles of the system and the results of previous studies. The experimental evaluation is based on the results of a series of experiments conducted under controlled conditions.

The results of the study are presented in the following sections.

The first section presents the results of the theoretical analysis. The second section presents the results of the experimental evaluation. The third section presents the conclusions of the study.

The results of the study show that the proposed system has a significant positive effect on the performance of the system. The results are consistent across all experiments.

The results of the study are consistent with the results of previous studies. The results are also consistent with the results of the theoretical analysis.

The results of the study are consistent with the results of previous studies. The results are also consistent with the results of the theoretical analysis.

The results of the study are consistent with the results of previous studies. The results are also consistent with the results of the theoretical analysis.

For Members of the Public:

To facilitate the conduct of business at Board meetings, the following information has been taken from the District's Policy Manual concerning the conduct of Board Meetings.

From PM 1.05 A:

The order of business may be revised at any meeting when, in the discretion of the President, such revision will benefit the public and/or order of the meeting.

From PM 1.05 L:

L. Granting the Privilege of the Floor. A person desiring to speak shall be recognized by the Chair only after complying with the following procedures:

For matters appearing on the agenda, an individual desiring to address the Board must complete a "Request to Address Board" card, completing the information thereon including the subject to be addressed. If there is to be a written report presented, a copy(ies) shall be submitted in advance to the Chancellor.

Any person desiring to address the Board on non-agenda items must also complete the "Request to Address Board" card and will be recognized at the end of the agenda. Only items directly related to District business may be presented.

Cards for these purposes are available in the Office of the Chancellor and also at the Board meeting. Completed cards should be presented to the Board President prior to the beginning of the meeting. As a matter of courtesy, the Board encourages people to notify the Chancellor's Office in advance of the Board meeting of their intention to address the Board. Prior to calling for a vote on an item before the Board, the Presiding Officer shall determine if speaker cards have been submitted for that item. Persons who have submitted cards prior to the consideration of the item shall be called upon by the Presiding Officer. Persons who address the Board may address only the agenda item being considered and shall have up to three minutes for comments. Should another person who has submitted a request to speak card in advance of consideration of the item wish to forego speaking on that item, he or she may grant his or her speaking time to another speaker who has also submitted a request to speak card, but in no event shall any speaker have more than two allotments (totaling up to six minutes) of speaker time on any item. However, in order to facilitate the completion of District business, the Presiding Officer may also limit the total length of time allotted to the speakers on a given topic or agenda item which may reduce the individual speaker's time on that topic or item. Speaking too long, being unduly repetitious, or discussing irrelevancies disrupt the meeting, and may result in the forfeiture of speaking opportunities during that meeting.

The President of the Board reserves the right of determining the order of the speakers and changing the order of the agenda if it will be of benefit to the public and/or the order of the meeting.

Undue interruptions or other interference's with the orderly conduct of Board business cannot be allowed. Defamatory or abusive personal remarks, which disturb or impede the meeting or exceed the bounds of civility necessary to the conduct of District business, are always out of order. However, the Board shall not prohibit public criticism of the policies, procedures, programs, or services of the District, or of the acts or omissions of the Board.

The President may terminate the speaker's privilege of address if after being called to order, he or she persists in improper conduct or remarks, or if the speaker fails to speak on the subject matter for which the privilege of the floor was granted.

No oral presentation shall include charges or complaints against any employee of the Board, or otherwise present information, which does not relate directly to the topic at hand or which disrupts or impedes the meeting. All formal charges or complaints against an employee, for which a specific grievance or complaint process is not otherwise available, shall be in writing and signed by the person making the charge and shall be filed with the Chancellor who shall, after investigation, take or recommend appropriate action. There shall be no oral presentation or discussion of confidential formal charges or complaints in open public meetings of the Board on non-agenda items or unless otherwise required by law.

Comments or presentations made by members of the public to the Board do not necessarily reflect the opinion of the Board or of its individual members, nor does the Board necessarily endorse or sanction such comments or presentations. Persons who address the Board on matters of their choosing are solely responsible for the content of such comments or presentations.

Authorization to Award Special Services Contracts –
Geotechnical Engineering Services
Treadwell & Rollo, Rutherford & Chekene, and Ninyo & Moore
(Resolution No. 021219-B2)

BACKGROUND INFORMATION:

Projects: Chinatown/North Beach Campus Geotechnical Consultant
Community Health & Wellness Center Geotechnical Consultant
Joint Use Facility for Child Development, Health Care Studies,
and Teacher Training Geotechnical Consultant

The College used a comprehensive outreach effort to encourage prospective geotechnical engineering firms and sub-consultants to respond to the "Request for Qualifications" for the Geotechnical Consulting Services for the Chinatown/North Beach Campus, Community Health & Wellness Center, and the Joint Use Academic Facility. Nineteen (19) RFQ booklets were issued to respondents. To more completely understand the selection process, interested firms were invited to an informational meeting where the details of the selection process were discussed, including the importance of complying with the College's new SLBE policy and the related goals for participation. Fifteen (15) individuals attended the informational meeting, and nine (9) geotechnical engineering firms submitted responses to the RFQ. A diverse 3-member selection committee reviewed these nine (9) responses.

Each committee member read all of the responses and rated each submittal according to the same criteria published in the RFQ and reviewed at the informational meeting. These criteria included demonstrated experience with geotechnical evaluations for design and construction of high-rise buildings in San Francisco, including underpinning and shoring, knowledge of geologic hazards and seismic conditions of the Bay Area, and experience with the Division of the State Architect approval process.

Norma Nelson, Contract Compliance Officer, also reviewed the submittals to determine compliance with the College's stated goals for SLBE participation. Additional points were awarded to the scores of those submittals where the geotechnical consulting firms were certified SLBEs.

After the review of the submittals, all nine (9) firms met the selection criteria and were invited to interview. The selection committee met to establish the questions that would be asked during the interview, and these were reviewed by the Contract Compliance Officer. The questions covered in greater depth the knowledge and experience required of the geotechnical firms.

As stated in the RFQ, the highest ranked firm would be assigned to the Chinatown/North Beach Campus; the second ranked firm to the Community Health & Wellness Center, and the third ranked firm to the Joint Use Academic Facility. After the interviews, the first, second, and third ranked teams were: 1) Treadwell & Rollo, 2) Rutherford & Chekene, and 3) Ninyo & Moore. They were recommended to the Chancellor for the Chinatown/North Beach Campus, Community Health & Wellness Center, and Joint Use Academic Facility projects, respectively.

The services provided by the prime consultant and their sub-consultants may include, but are not limited to: field explorations; laboratory analyses; geologic hazards evaluations; geotechnical investigations, including recommendations for foundation design, shoring, underpinning and dewatering; and construction observation and other services.

Preliminary budgets for these three contracts have been established. However, additional analysis of the proposal and negotiated scope of work and project deliverables is needed to determine the final budget. These contracts for geotechnical consulting services will be paid with funds from Proposition A 2001 General Obligation Bonds.

RECOMMENDATION:

RESOLVED: That authorization be given to contract with Treadwell & Rollo, Rutherford & Chekene, and Ninyo & Moore from January 1, 2003 through September, 2007 for special services and advice to provide the District with geotechnical consulting services, for these three Projects, respectively: Chinatown/North Beach Campus Geotechnical Consultant at a cost not to exceed \$210,000.00; Community Health & Wellness Center Geotechnical Consultant at a cost not to exceed \$190,000.00; and Joint Use Academic Facility Consultant at a cost not to exceed \$190,000.00, and

FURTHER BE IT RESOLVED: That the Chancellor, Vice Chancellor of Finance and Administration and/or their designee are hereby authorized to execute any and all documents on behalf of the District to effectuate this resolution.

Authorization to Award Conceptual Design Honoraria -
EHDD /Barcelon & Jang and Skidmore Owings & Merrill
(Resolution No. 021219-B3)

BACKGROUND INFORMATION:

Projects: Honoraria for Chinatown/North Beach Campus Conceptual Designs -
RFQ for Architectural/Engineering Services

In August 1998, the Friends of the Colombo Building et al. filed a lawsuit against City College related to the College's proposal for a new Chinatown/North Beach Campus. In June 1999, the two parties settled the lawsuit with a formal agreement that committed the College to preserving the Colombo Building and also included several provisions regarding the design of the new campus. Specifically, the agreement created an Architectural Selection/Design Review Committee (ASDRC) comprised of ten members including at least four representatives from the Friends of the Colombo Building. The settlement agreement also stipulated that the ASDRC will make the final recommendation for selecting the Project Architect as well as the final recommendation for the design of the project to the College Board of Trustees. The settlement agreement also stipulates that a preservation architect be retained to serve in an advisory capacity to the ASDRC during the architectural selection process as well as during the design and construction of the project. The preservation architect, Jay Turnbull, is serving in this capacity. Mr. Turnbull recommended, and the ASDRC concurred, that an honorarium should be given to each architectural firm participating in the conceptual design interview. The Committee felt that the honorarium would result in better participation and presentations by the firms. The two final firms participating in the conceptual design interviews proposed that the College commission a site base model that each firm could use for demonstrating their respective building designs. Again the preservation architect, with the concurrence of the ASDRC, believed the model to be of significant value in their evaluation and final selection of the proposed architectural firm. The College asked the firms to obtain the model on its behalf. The College retains possession and ownership of the site base model and intends to use the model during the design phases of the project.

As part of the selection process, described in the Chinatown/North Beach Campus RFQ for Architectural/Engineering Services, the teams selected for the Final Interviews were required to submit a conceptual design for the project. EHDD/Barcelon & Jang and Skidmore Owings & Merrill were the two teams selected for the Final Interviews.

Accordingly, they shall be paid five-thousand dollars (\$5,000) each for their conceptual design submittal.

Furthermore, during the RFQ conceptual design development, the District commissioned from EHDD/Barcelon & Jang and Skidmore Owings & Merrill a project site model to be used throughout the project duration as a visual aid and communication tool. The cost of the model was \$10,950, and was borne equally (\$5,475) by both teams. Thus, the amount of the honorarium for each team should be increased to \$10,475 (ten-thousand four-hundred dollars) to cover both the conceptual design and the site model.

The honoraria for conceptual design submittals and site model will be paid with funds from Proposition A 2001 General Obligation Bonds.

RECOMMENDATION:

RESOLVED: That authorization be given to pay EHDD/Barcelon & Jang and Skidmore Owings & Merrill a \$10,475 honorarium each for providing the District with a project conceptual design and site model for the Chinatown/North Beach Campus, and

Authorization to Award Special Services Contract –
Merle E. Cannon
(Resolution No. 021219-B4)

BACKGROUND INFORMATION:

The Board of Trustees authorized the District's contract with Mr. Cannon in June 1997. This resolution is an authorization to contract with Merle E. Cannon for special services and advice to assist the District in the preparation of a Five-Year Capital Outlay Construction Plan, a space inventory, and consultation for Initial and Final Project Proposals, for the period January 1, 2003 through December 31, 2003. Mr. Cannon is recognized as an expert on these matters and played a critical role in the College's preparation of FPP's last year for the Joint Use Facility and John Adams Campus Seismic Upgrade projects submitted to the State Chancellor's Office.

The special services and advice provided by Mr. Cannon includes the preparation of a comprehensive Five-Year Capital Outlay Construction Plan for the 2003 submittal to the State Chancellor's Office. The Five-Year Capital Outlay Construction Plan is the basis for all State funded capital outlay projects for the next five years. The District is very pleased with Mr. Cannon's expertise and knowledge of the complex State funding process for facilities. Mr. Cannon formerly served as a consultant to the State Chancellor's Office where he developed guidelines for Five-Year Construction Plans and Space Inventory.

This contract, to the extent possible, will be paid with funds from Proposition A 2001 General Obligation Bonds. Additional funds will be charged to the unrestricted general fund.

RECOMMENDATION:

RESOLVED: That authorization be and is hereby given for approval to contract with Merle E. Cannon for special services and advice to assist the District in the preparation of a Five Year Capital Outlay Construction Plan, a space inventory, and consultation for Initial and Final Project Proposals, for a total contract cost of \$30,000 for the period January 1, 2003 through December 31, 2003, and

Authorization to Contract for Special Services –
NBH Solutions, LLC
(Resolution No. 021219 – B6)

BACKGROUND INFORMATION:

Project: Project Planning and Management Services for The 2001 Prop "A" Bond Capital Improvement Program

NBH Solutions has provided leadership, management and consulting expertise in support of the information technology projects funded by the 2001 Bond. During this calendar year, NBH Solutions planned and provided project management in support of the college's completion of campus network infrastructure, guided the development of the desktop upgrade plan that is currently underway, helped plan the upgrade of intra-campus and internet connectivity, worked to develop the management and technical support structures and standards essential to support the new computing environment at CCSF, helped define the methods and curriculum for training faculty and staff in the use of new technologies, aided the college in selection of a new network manager, developed an approach to support a voice system upgrade, managed the organization and delivery of a Feasibility Study on Fiber Optic Connections between college locations, and has begun initial planning for the next generation network that will transmit voice, data and video signals between college campuses.

While much progress has been made, additional direction, management and technical expertise is required for the college to complete the projects funded by the 2001 bond. Principal among these projects is the design and implementation of a converged network that builds upon on our newly completed on-campus network to enhance district-wide communications. This new communications infrastructure will carry voice, data and video transmissions between campuses and is a major, complex project that will ultimately provide all communications throughout the district. This final piece of our new communications infrastructure requires the design of a new telephone solution, the introduction of a digital technology to replace our antiquated analog video

technology, and the convergence of all communications signals on one backbone.

Given the improvement in services and the recurring savings offered by improved inter-campus connectivity, it is important that the college quickly build upon its successes. This complex project and other related initiatives require the services of NBH Solutions because this firm has supported the college during our first year of 2001 bond technology projects and can leverage this experience and knowledge to efficiently and effectively manage our information technology projects and services during the next year.

CORPORATE PROFILE

NBH Solutions specializes in the provision of technical solutions and project management for higher education. NBH Solutions provides leadership as well as strategic and operational technology consulting with the aim of helping institutions improve their use of technology.

Under this contract, Richard Middaugh, CEO of NBH Solutions LLC, will serve as the primary consultant for City College. Mr. Middaugh has more than twenty-five years experience in higher education serving as a Chief Information Officer, technology consultant and administrator, and teacher. Mr. Middaugh served on the Technology Advisory Board for CARS Information Systems, guiding the development of software solutions; as a Vice President for Jenzabar, a higher education software vendor; and, has provided consulting project management, and technical expertise in support of technology for more than thirty colleges and universities. In addition, Alex Kennedy will provide network expertise in the areas of technology integration, converged voice, data and video networks, and the delivery of video services to both the classroom and desktop.

WORK SCOPE SUMMARY

The District needs technical planning and management services to ensure that the second phase of the technology projects funded by the 2001 bond issue get off to an efficient and effective start. In particular, the District needs assistance in pursuing appropriate solutions in upgrading its telephone/telecommunication systems and a campus-to-campus connectivity configuration that best supports classroom educational technology and two-way inactive voice/video distribution. Therefore, the District wishes to contract with NBH Solutions, LLC for Special Services and Advice to provide the District with project planning management services for the 2001 Proposition "A" Bond Capital improvement program for a twelve (12) month period from January 1, 2003 thru December 31, 2003. NBH will be responsible for providing technical assistance

on the network design and its applications for purposes of achieving the District's objectives with Phase 2 of its technology conversion/update project.

Under the direction of the Chancellor, the District's Information Technology Services will administer the special services and advice provided under this contract. Expenditures incurred under this contract will be paid for with the proceeds generated by the issuance of bonds under the 2001 general obligation bond issue. The special services and advice services provided by NBH Solutions, LLC would include:

Providing technical leadership, project planning and project management in support of college-wide computer network, telephone/telecommunication upgrades, and other technology initiatives funded by the bond.

NBH Solutions will provide technical leadership, guidance and consultation to assigned staff and/or contractors and consultants in the areas of:

1. Classroom education technology
2. Network design
3. Network security
4. Network access
5. Next generation networks (integrating voice, video, data)
6. Network management and upgrade
7. Network staffing
8. Voice system upgrade
9. Technology planning

In addition, NBH Solutions will provide direction, project planning and management to establish controls, budgets, specific project schedules, project milestones, quality assurance, and project deliverables related to:

1. Inter-campus connectivity
2. Network services deployment
3. Desktop support services design and deployment
4. PBX/Voice system replacement
5. Technology integration

The consultants from NBH Solutions will work with, direct, and guide the selection of outside consultants, contractors and vendors for networking and technology upgrades; direct and guide the assigned staff and/or outside consultant team to establish control budgets, project schedules, and implementation methods; direct and

guide the assigned staff and/or outside vendor teams to ensure that project budgets and schedule requirements are fulfilled as called for by the college.

RECOMMENDATION:

RESOLVED: That authorization be hereby given to contract with NBH Solution, LLC for special services and advice to provide the District with Technology Planning Management Services for technology portion of the 2001 Proposition "A" Bond Capital Improvement Program for a twelve (12) month period from January 1, 2003 through December 31, 2003 for total fee not to exceed \$158,000, and

FURTHER BE IT RESOLVED: That the cost of this contract will be funded with the proceeds generated by the issuance of bonds under the 2001 general obligation bond issue, with such cost initially advanced by the district and subsequently reimbursed by bond funds when they become available, and

FURTHER BE IT RESOLVED: That the Chancellor, Vice Chancellor of Finance and Administration and/or their designee are hereby authorized to execute any and all documents on behalf of the District to effectuate this resolution.

(Resolution No. 021219-B8)

BACKGROUND INFORMATION:

On September 26, 2002, the Board of Trustees adopted resolution no. 020926-B10 authorizing the San Francisco Community College District to conduct an excursion to Italy and to request proposals from qualified contractors to provide the necessary transportation and on-site logistical services associated with offering a Study Abroad Program in Italy.

On October 8, 2002, A Request for Proposal, City College of San Francisco International Education Program, "Summer in Italy, 2003" was mailed to two agencies which provide travel services in Italy. The closing date for receipt of proposals was October 28, 2002. Two proposals were received, as follows:

Name of Company	Passages		Journeys of Discovery	
<i>number of students</i>	<i>15-19</i>	<i>20-25</i>	<i>15-19</i>	<i>20-25</i>

Council of San Francisco (PIC) To Provide Educational
Services, not to exceed \$200,000
(Resolution No. 021219 – B10)**

BACKGROUND INFORMATION:

City College of San Francisco is a member of the San Francisco Information Technology Consortium (**SFITC**). The SFITC includes CCSF, Goodwill Industries of San Francisco, OpNet Community Ventures, Glide Foundation, Bay Area Video Coalition, Arriba Juntos, Jewish Vocational Services and the San Francisco Housing Authority. CCSF, as a member of the SFITC, is a partner in the Techladder Program proposed by the Workforce Investment Board of San Francisco for a Department of Labor H-1B Technical Skills Training Grant. The Techladder Program proposal is a key next step in the development of the San Francisco IT Consortium's regional ability to meet the needs of IT workers and employers. This initiative aligns directly with the mission of City College of San Francisco, which is to prepare students for the workplace through short- and long-term education and training programs geared specifically to the current market, assessing the needs of local businesses and serving the local community.

Under the term of this Department of Labor H-1B Technical Skills Grant, the Private Industry Council of San Francisco (PIC) wishes to engage City College of San Francisco as a subcontractor to provide: faculty from CCSF's Computer Networking and Information Technology and Computer Science Departments to provide instruction in A+, Unix, and Cisco Programs; customized admissions, matriculation, and registration services; testing, assessment, and training materials; and coordination and guidance assistance of classified staff and technical support.

The PIC subcontract will be from January 1, 2003 through June 30, 2004 totaling \$200,000.

There is a \$200,000 in-kind CCSF match required.

Authorization to amend employment Contract (s)
(Resolution No. 021219 - L1)

BACKGROUND INFORMATION:

The Board of Trustees by Resolution No. 791120-B1 has made available to its employees the provisions of Section 403 (b) of the United States Internal Revenue Code and Section 17501 of the California Revenue and Taxation Code.

Employees of the San Francisco Community College District may enter into an amendment of their employment contracts for the purpose of effecting a reduction in the salaries paid to such employees, and that for each employee who voluntarily elects to accept such reduction in his or her salary, the San Francisco Community College District shall, as directed by such employee, a) purchase, with an amount equal to the reduction in salary, a nontransferable annuity contract issued by an insurance company selected by the employee concerned, or b) contribute an amount equal to such reduction in salary to a custodial account of a custodian selected by the employee, in which all rights under said custodial account shall be exercisable by the employee concerned.

RECOMMENDATION:

RESOLVED: That the Board of Trustee of the San Francisco Community College amend employment contract for the purpose of (a) purchasing tax sheltered annuities, (b) contributing to tax sheltered custodial accounts, for those employees requesting such purchases or contributions, and (c) termination of the amendment to employment contract, complying with the provisions of Section 403 (b) of the United States Internal Revenue Code, and Section 17501 of the California Revenue and Taxation Code.

SUBJECT: POLICY MANUAL

Amending the SFCCD Policy Manual by Adding
Section 1.12 Unlawful Discrimination Policy and
Deleting Sections 3.29 – Sexual Harassment –
Employees, Section 5.08 – Sexual Harassment –
Students, and Section 5.07 – Equal Educational
Opportunity for Students
(Resolution No. 021219-P1)

BACKGROUND INFORMATION:

Title 5 provisions of the California Code of Regulations relating to unlawful discrimination policies have undergone review and revision at the state level. The State Chancellor's Office has promulgated a model policy which includes language required by state statute, federal law and Title 5 and which the State Chancellor's Office advises must be included in a District's policy. This recommended policy relates to both employees and students. Moreover, the policy includes provisions prohibiting sexual harassment, thus eliminating the necessity of maintaining the two current separate policies (P.M. 3.29 and P.M. 5.08) relating to employees and students, respectively in the area of sexual harassment. The recommended policy also provides for an equal educational opportunity for students thereby also eliminating the need for the current policy (P.M.5.07) relating to the same topic. The San Francisco Community College District, however, has additional categories of non-discrimination beyond those of the state; and these have been added to the proposed policy. Notice of these proposed changes were given at the November 21, 2002 Regular Board meeting. Moreover, the Board, by unanimous vote at this November meeting, directed that other additional categories of non-discrimination be added to the proposed Section 1.12 Unlawful Discrimination Policy.

BOARD OF TRUSTEES

DR. ANITA GRIER • MILTON MARKS III • JULIO J. RAMOS • LAWRENCE WONG • RICHARD CANTORA, STUDENT TRUSTEE
DR. PHILIP R. DAY, JR., CHANCELLOR

The Board is now being asked to take action to actually adopt and delete these policies as previously noticed.

RECOMMENDATION:

WHEREAS: Notice was given at a prior meeting (November 21, 2002) that proposed amendments to the San Francisco Community College District Policy Manual would be acted upon at the December 19, 2002 meeting of the Board of Trustees by: adding Section 1.12 – Unlawful Discrimination Policy and Deleting Sections 3.29 – Sexual Harassment – Employees, Section 5.08 – Sexual Harassment – Students, and Section 5.07 – Equal Educational Opportunity for Students.

AND WHEREAS: At the November 21, 2002 Board meeting, the Board, by motion made by Trustee Julio Ramos and seconded by Trustee Natalie Berg, unanimously amended the proposed amendment to the Unlawful Discrimination Policy – Section 1.12 by directing the inclusion of the additional categories of non-discrimination; namely: lesbian, gay, bisexual, transgender and questioning.

RESOLVED: That SFCCD Policy Manual Section 1.12 – Unlawful Discrimination Policy shall be added to read as follows, and that Section 3.29 Sexual Harassment – Employees, Section 5.08 Sexual Harassment – Students and Section 5.07 –Equal Educational Opportunity For Students be deleted: (NOTE: Additions or substitutions are indicated by ***bold italic*** and deletions are indicated by ~~strike over~~.) P.M. 1.12 UNLAWFUL DISCRIMINATION POLICY

The policy of the San Francisco Community College District is to provide an educational and employment environment in which no person shall be unlawfully denied full and equal access to, the benefits of, or be unlawfully subjected to discrimination on the basis of ethnic group identification, national origin, religion, age, sex, race, color, ancestry, sexual orientation, or physical or mental disability in any program or activity that is administered by, funded directly by, or that receives any financial assistance from the State Chancellor or Board of Governors of the California Community Colleges.

Nor shall any such persons be denied full and equal access to, the benefits of, or be subjected to discrimination on the basis of marital status*, medical conditions*, gender identity*, domestic partner status*, AIDS/HIV status*, status as a Vietnam-Era veteran*, or status as a lesbian, gay, bisexual, transgender* or questioning* person in any District program or activity.

The policy of the San Francisco Community College District is to provide an educational and employment environment free from unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment.

Employees, students, or other persons acting on behalf of the District who engage in unlawful discrimination as defined in this policy or by state or federal law may be subject to discipline, up to and including discharge, expulsion, or termination of contract.

In so providing, the San Francisco Community College District hereby implements the provisions of California Government Code sections 11135 through 11139.5, the Sex Equity in Education Act (Ed Code, Section 66250 et seq.), Title VI of the Civil Rights Act of 1964 (42 U.S.C. Section 2000d), Title IX of the Education Amendments of 1972 (20 U.S.C. Section 1681), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794), the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12100 et seq.) and the Age Discrimination Act (42 U.S.C. Section 6101)¹.

****These categories are not subject to the State Chancellor's jurisdiction.***

Definitions

¹ If the federal statutes cited herein would result in broader protection of the civil rights of individuals then that broader protection or coverage shall be deemed incorporated by reference into, and shall prevail over conflicting provisions of Title 5, section 59300, as cited in this Policy.

Definitions applicable to nondiscrimination policies are as follows:

- **"Appeal" means a request by a complainant made in writing to the San Francisco Community College District governing board pursuant to Title 5, section 59338, and/or to the State Chancellor's Office pursuant to Title 5, section 59339, to review the administrative determination of the District regarding a complaint of discrimination.**
 - **"Complaint" means a written and signed statement meeting the requirements of Title 5, section 59328 that alleges unlawful discrimination in violation of the nondiscrimination regulations adopted by the Board of Governors of the California Community Colleges, as set forth at Title 5, section 59300 et seq.**
 - **"Day" means calendar days.**
 - **"Mental disability" includes, but is not limited to, all of the following:**
 - (1) Having any mental or psychological disorder or condition, such as mental retardation, organic brain syndrome, emotional or mental illness, or specific learning disabilities, that limits a major life activity. For purposes of this section:**
 - (A) "Limits" shall be determined without regard to mitigating measures, such as medications, assistive devices, or reasonable accommodations, unless the mitigating measure itself limits a major life activity.**
 - (B) A mental or psychological disorder or condition limits a major life activity if it makes the achievement of the major life activity difficult.**
 - (C) "Major life activities" shall be broadly construed and shall include physical, mental, and social activities and working.**
 - (2) Any other mental or psychological disorder or condition not described in paragraph (1) that requires specialized supportive services.**
 - (3) Having a record or history of a mental or psychological disorder or condition described in paragraph (1) or (2), which is known to the District.**
 - (4) Being regarded or treated by the District as having, or having had, any mental condition that makes achievement of a major life activity difficult.**
 - (5) Being regarded or treated by the District as having, or having had, a mental or psychological disorder or condition that has no present disabling effect, but that may become a mental disability as described in paragraph (1) or (2).**
- "Mental disability" does not include sexual behavior disorders, compulsive gambling, kleptomania, pyromania, or psychoactive**

substance use disorders resulting from the current unlawful use of controlled substances or other drugs.²

- *"Physical disability" includes, but is not limited to, all of the following:*

(1) Having any physiological disease, disorder, condition, cosmetic disfigurement, or anatomical loss that does both of the following:

(A) Affects one or more of the following body systems: neurological, immunological, musculoskeletal, special sense organs, respiratory, including speech organs, cardiovascular, reproductive, digestive, genitourinary, hemic and lymphatic, skin, and endocrine.

(B) Limits a major life activity. For purposes of this section:

(i) "Limits" shall be determined without regard to mitigating measures such as medications, assistive devices, prosthetics, or reasonable accommodations, unless the mitigating measure itself limits a major life activity.

(ii) A physiological disease, disorder, condition, cosmetic disfigurement, or anatomical loss limits a major life activity if it make the achievement of the major life activity difficult.

(iii) "Major life activities" shall be broadly construed and includes physical, mental, and social activities and working.

(2) Any other health impairment not described in paragraph (1) that requires specialized supportive services.

(3) Having a record or history of a disease, disorder, condition, cosmetic disfigurement, anatomical loss, or health impairment described in paragraph (1) or (2), which is known to the District.

(4) Being regarded or treated by the District as having, or having had, any physical condition that makes achievement of a major life activity difficult.

(5) Being regarded or treated by the District as having, or having had, a disease, disorder, condition, cosmetic disfigurement, anatomical loss, or health impairment that has no present disabling effect but may become a physical disability as described in paragraph (1) or (2).

(6) "Physical disability" does not include sexual behavior disorders, compulsive gambling, kleptomania, pyromania, or psychoactive

² If the Americans with Disabilities Act of 1990 definitions would result in broader protection of the civil rights of individuals with a mental or physical disability, or would include any medical condition not included within these definitions, then that broader protection or coverage shall be deemed incorporated by reference into, and shall prevail over conflicting provisions of the definitions in Government Code section 12926 and should be included in District policy. substance use disorders resulting from the current unlawful use of controlled substances or other drugs.³

- *“District” means the San Francisco Community College District or any District program or activity that is funded directly by the state or receives financial assistance from the state. This includes any organization associated with the District or its college(s) that receives state funding or financial assistance through the District.*
- *“Responsible District Officer” means the officer identified by the District to the State Chancellor’s Office as the person responsible for receiving complaints filed pursuant to Title 5, section 59328, and coordinating their investigation.*
- *“Sexual harassment” is unlawful discrimination in the form of unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature, made by someone from or in the workplace or in the educational setting, and includes but is not limited to:*
 - (1) Making unsolicited written, verbal, physical, and/or visual contacts with sexual overtones. (Examples of possible sexual harassment that appear in a written form include, but are not limited to: suggestive or obscene letters, notes, invitations. Examples of possible verbal sexual harassment include, but are not limited to: leering, gestures, display or sexually aggressive objects or pictures, cartoons, or posters.)*
 - (2) Continuing to express sexual interest after being informed that the interest is unwelcomed.*
 - (3) Making reprisals, threats of reprisal, or implied threats of reprisal following a rebuff or harassing behavior. The following are examples of conduct in an academic environment that might be found to be sexual harassment: implying or actually withholding grades earned or deserved; suggesting a poor performance evaluation will be prepared; or suggesting a scholarship recommendation or college application will be denied.*
 - (4) Engaging in explicit or implicit coercive sexual behavior within the work environment which is used to control, influence, or affect the employee’s career, salary, and/or work environment.*
 - (5) Engaging in explicit or implicit coercive sexual behavior within the educational environment that is used to control, influence, or affect the educational opportunities, grades, and/or learning environment of a student.*
 - (6) Offering favors or educational or employment benefits, such as grades or promotions, favorable performance evaluations, favorable assignments, favorable duties or shifts, recommendations, reclassifications, etc., in exchange for sexual favors.*

³ Ibid.

- ***“Unlawful discrimination” means any complaint of unlawful discrimination based on a category protected under Title 5, section 59300, including sexual harassment, harassment based on a protected group status as set forth in this Policy, and retaliation.***

Retaliation

It is unlawful for anyone to retaliate against someone who files an unlawful discrimination complaint, who refers a matter for investigation or complaint, who participates in an investigation of a complaint, who represents or serves as an advocate for an alleged victim or alleged offender, or who otherwise furthers the principles of this unlawful discrimination policy.

Notices

A copy of these written policies on unlawful discrimination will be displayed in a prominent location in the main administrative building or other area where notices regarding the institution’s rules, regulations, procedures, and standards of conduct are posted.

Responsible District Officer

The San Francisco Community College District will identify a specific administrator to the State Chancellor’s Office and to the public as the single District officer responsible for receiving all unlawful discrimination complaints filed pursuant to Title 5, section 59328, and for coordinating their investigation. The actual investigation of complaints may be assigned to other staff or to outside persons or organizations under contract with the District. Such delegation procedures will be used whenever the officer designated to receive complaints is named in the complaint or is implicated by the allegations in the complaint.

Administrators, faculty members, other District employees, and students shall direct all complaints of unlawful discrimination to the responsible District officer.

Students and Employees Notice, Training, and Education

The San Francisco Community College District's responsible officer shall make arrangement for or provide training to employees and students on the District's unlawful discrimination policy and procedures. Faculty members, members of the administrative staff, and members of the support staff will be provided with a copy of the District's written policy on unlawful discrimination at the beginning of the first quarter or semester of the college year after the policy is adopted.

PM 3.29 — ~~SEXUAL HARASSMENT — EMPLOYEES~~

~~I. District Policy~~

~~It is the policy of the District to:~~

- ~~A. Prohibit any person in the work or academic setting from sexually harassing any other person in the work or academic setting. The District will not tolerate or condone sexual harassment by or towards its employees or by or towards its students. It is the intention of the District to take appropriate actions to prevent, correct, and if necessary, to discipline behavior which violates this policy.~~
- ~~B. Provide a work and academic environment free of sexual harassment.~~
- ~~C. Investigate allegations of sexual harassment in a timely and thorough way.~~
- ~~D. Take appropriate and timely corrective action with respect to information or allegations that employees or students are being subjected to sexual harassment in the work or academic environment.~~
- ~~E. Provide on going education and awareness regarding sexual harassment. Sexual harassment is prohibited against members of the same sex as well as against members of the opposite sex.~~
- ~~F. Provide information about how to pursue claims of sexual harassment.~~

~~II. Definitions~~

~~Sexual Harassment For purposes of this policy, "sexual harassment" means unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature, made by someone from or in the work or educational setting, under any of the following conditions:~~

- ~~A. Submission to the conduct is explicitly or implicitly made a term or a condition of an individual's employment, academic status, or progress.~~
- ~~B. Submission to, or rejection of, the conduct by the individual is used as the basis for employment or academic decisions affecting the individual.~~
- ~~C. The conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment.~~
- ~~D. Submission to, or rejection of the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the educational institution.~~

~~No person in a supervisory or authority position shall retaliate against an applicant, employee or student for opposing conduct prohibited by this policy.~~

Complaint ~~A complaint is a formal, written allegation that sexual harassment has been experienced by an individual.~~

III. Unwelcome Conduct

~~Sexual harassment is unwelcome conduct. The same conduct may or may not be sexual harassment, depending on whether it is acceptable to the person(s) affected by it. Supervisors or faculty who are in the position to review the work or the academic progress of an employee or a student must be careful that conduct is truly welcome as opposed to a reaction to the real or perceived authority of the supervisor or faculty. When individuals are in inherently unequal positions (such as teacher and student or supervisor and employee), the conduct may be less welcome than the individual whose position confers power believes.~~

~~Furthermore, conduct that was previously welcome may become unwelcome. Past consent does not prevent a charge of sexual harassment based upon subsequent unwelcome conduct.~~

~~Even when conduct is clearly welcome, the individual whose position confers power must be careful that the consensual relationship does not give undue access or advantage, restrict opportunities, or create a hostile and unacceptable environment for others.~~

IV. Preventive Action

~~The San Francisco Community College District will not tolerate sexual harassment of or by its students or of or by its employees and will take preventive action so that sexual harassment does not occur. The District will inform students and employees of the right to challenge sexual harassment under District policies and state and federal law, including the right to oppose sexual harassment without fear of retaliation for such opposition.~~

~~The District will make known that it will thoroughly investigate sexual harassment allegations and will pursue appropriate sanctions in proven cases of sexual harassment. Appropriate sanctions in a given case may include reprimand, suspension, dismissal or other appropriate action.~~

~~The following statement of preventative action includes the following:~~

- ~~A. The District will conduct staff development, educational and training activities for administrators, faculty, staff and students regarding sexual harassment.~~
- ~~B. As soon as practicable following Board action to adopt this policy, a copy of this sexual harassment policy shall be provided to all employees in the District, as well as displayed in prominent locations throughout the District, including display at each campus.~~
- ~~C. Every new employee shall be provided a copy of this policy upon their employment along with other District employment documents.~~
- ~~D. A Copy of this policy shall appear in each College Catalog.~~
- ~~E. A copy of this policy shall be provided as part of the orientation program conducted at the beginning of each semester for new students.~~

~~F. The District shall periodically notify students and employees of the procedures for registering a complaint that this policy has been violated.~~

~~G. The Human Resources Department shall make available to applicants and employees information from the California Department of Fair Employment and Housing and the U.S. Equal Employment Opportunity Commission about claims of sexual harassment with these entities.~~

~~H. The District shall make available to students information from the U.S. Department of Education, Office for Civil Rights about claims of sexual harassment with that entity.~~

~~V. Implementation of Policy~~

~~This policy shall be implemented through procedures designed to encourage persons who experience sexual harassment to report prohibited conduct. The procedures shall be broadly and regularly distributed to students and employees. They shall provide for timely, thorough and fair investigation and resolution of allegations of sexual harassment and shall include a means for pursuing both informal and formal resolution of allegations. The procedures shall protect the privacy of the individuals involved to the extent possible while meeting the District's obligation to investigate and take appropriate corrective action.~~

~~VI. Filing and investigating Complaints~~

~~A complaint may be filed by the individual who alleges he or she has personally experienced sexual harassment or may be filed by one who has learned of sexual harassment in his or her official capacity. The Affirmative Action Officer is responsible for receiving sexual harassment complaints and for coordinating their investigation. The Affirmative Action Officer is also responsible for advising individuals regarding this sexual harassment policy and its implementing procedures and for monitoring the dissemination of this policy and related procedures.~~

~~VII. Time Limit on Complaints~~

~~Complaints must be filed within one year of the date on which the complaining party knew or should have known of the facts underlying the allegation of sexual harassment.~~

~~Filing and investigating Complaints:~~

Adopting the San Francisco Community College District's Initial Proposal to the Service Employees International Union, Local 790, for a Successor Collective Bargaining Agreement, After Public Comment (Resolution No. 021219-S1)

BACKGROUND INFORMATION:

The present Collective Bargaining Agreement between the San Francisco Community College District (District) and the Service Employees International Union, Local 790 (SEIU) will expire under its own terms on June 30, 2003. On November 21, 2002, by Resolution No. 021121.S2, the Board of Trustees (1) made public the Initial Proposal of the SEIU and the Initial Proposal of the District for a Successor Collective Bargaining Agreement, and (2) established December 2002 as the month for the public meeting at which the public would be given the opportunity to comment on the Initial Proposal of the SEIU and the Initial Proposal of the District for a Successor Collective Bargaining Agreement. On December 19, 2002, the Board of Trustees solicited advance public response to the Initial Proposal of the SEIU and the Initial Proposal of the District for a Successor Collective Bargaining Agreement by placing a special order of business on its agenda for the December 19, 2002, public meeting. Government Code Section 3547 requires in relevant part that (a) all initial proposals of exclusive representatives and of public school employers which relate to matters within the scope of representation shall be presented at a public meeting of the public school employer and thereafter shall be public records, (b) meeting and negotiating shall not take place on any proposal until a reasonable time has elapsed after the submission of the proposal to enable the public to become informed and the public has the opportunity to express itself regarding the proposal at a meeting of the public school employer, and (c) after the public has had the opportunity to express itself, the public school employer shall, at a meeting which is open to the public, adopt its initial proposal.

RECOMMENDATION:

RESOLVED: That the Board of Trustees hereby adopts the District's Initial Proposal to the SEIU for a Successor Collective Bargaining Agreement, a copy of which is on file with the Chancellor's office, is available for inspection, and is hereby incorporated by reference as part of this Resolution.

(Resolution No. 021219-S2)

BACKGROUND INFORMATION:

The Collective Bargaining Agreement between the San Francisco Community College District ("District") and the American Federation of Teachers, Local 2121 ("AFT") will expire under its own terms on June 30, 2003. On December 13, 2002, representatives of the AFT submitted to the Board of Trustees, through the Administration, the AFT's Initial Proposals for a Successor Collective Bargaining Agreement. The Administration, on behalf of the Board of Trustees, has prepared the District's Initial Proposals for a Successor Collective Bargaining Agreement. Government Code Section 3547 reads in relevant part that (a) all initial proposals of exclusive representatives and of public school employers, which relate to matters within the scope of representation, shall be presented at a public meeting of the public school employer and thereafter shall be public records, and (b) meeting and negotiating shall not take place on any proposal until a reasonable time has elapsed after the submission of the proposal to enable the public to become informed and the public has the opportunity to express itself regarding the proposal at a meeting of the public school employer.

RECOMMENDATION:

RESOLVED: That the Board of Trustees hereby publicly presents the Initial Proposals of the AFT and of the District for a Successor Collective Bargaining Agreement, copies of which are on file with the Chancellor's office, are available for inspection, and are hereby incorporated by reference as part of this Resolution, and

FURTHER BE IT RESOLVED: That a Special Order of Business be placed on the Agenda for a public Board of Trustees meeting in January 2003 to enable members of the public to express themselves regarding the Initial Proposals.

Subject: SPECIAL
Adoption of CCSF Strategic Plan
(Resolution No. 021219-S3)

BACKGROUND INFORMATION:

The College strategic planning process began with an extensive assessment of the results of the College's previous plan, followed by detailed research on important trends and changes at local, state and national levels. In March 2002, members of the Planning and Budgeting Council, other college faculty, students, classified staff and administrators as well as representatives from business, labor and government and members of the Board of Trustees, met for a two-day retreat to develop a vision and mission statement and identify strategic priorities for the College. The planning participants developed a vision and mission statement and identified eight strategic priorities as a framework for the plan. Two follow up sessions with the planning participants refined the plan by adding objectives and activities. All members of the City College community received a copy of the draft plan for review and discussion at the Flex professional days in August.

To obtain the maximum amount of feedback about the college's draft strategic plan, the Chancellor and the Planning and Budgeting Council held eight listening sessions at five campuses during the period September 23 through November 20, 2002. Over 250 people attended the eight listening sessions. Four of the listening sessions focused on feedback from members of the college community—faculty, students, staff and administrators; and four sessions were held to gather responses from the greater San Francisco community including representatives from community organizations, businesses, educational institutions, government and non-profits.

Members of the Board of Trustees participated in the initial planning retreat, the followup reviews, and the listening sessions. The Finance Committee of the Board reviewed the draft plan in November 2002.

The Plan

The CCSF Strategic Plan contains a vision and mission statement followed by a description of the six institutional goals that translate the vision and mission into an explicit purpose and intended outcomes statement. The main section of the Plan sets forth eight strategic priorities that are supported by five to eight objectives for each priority. The plan also delineates activities that are directly associated with stated objectives.

Support for the Plan

The development and review process for the strategic plan embraced all sectors of the City College community—faculty, classified staff, students and administrators. All college organizations received drafts of the plan and feedback from all sectors was incorporated in to the plan. The Planning and Budgeting Council, the main shared governance organization responsible for developing and disseminating the plan, approved the final draft plan.

This resolution approves the adoption of the CCSF Strategic Plan by the Board of Trustees for the period 2003 through 2008.

RECOMMENDATION:

RESOLVED: That the Board of Trustees adopts the CCSF Strategic Plan and mandates the Chancellor to take all necessary steps to implement the plan.

FURTHER BE IT RESOLVED: That the Chancellor, Vice Chancellor of Finance and Administration and/or their designee are hereby authorized to execute any and all documents on behalf of the District to effectuate this resolution.

Introduction

In the 21st century, City College of San Francisco faces a world of accelerating change—demographic change, technological change, economic change—all affecting what the College should and must be doing to serve the public. It is precisely because of these challenges that the College recognizes the importance of a responsive and well-designed Strategic Plan.

Over a five to six year period, the CCSF Strategic Plan is expected to provide an anchor and sense of continuity for the College, as well as a visionary springboard for innovation. Through this plan, the College will be able to sustain a clear vision and achieve a coordinated effort in fulfilling its mission and meeting the expectations of the community. Initially an instrument for the setting of goals, it will become a measuring stick for their attainment. In that way, the plan will foster in the college community a mode of continual improvement and responsiveness.

The development of this new plan began with an extensive assessment of the results of the College's previous plan, followed by detailed research on important trends and changes at local, state and national levels. The College also held listening sessions throughout the community with panels of interested citizens, and goals and strategies were proposed with input from, and review by, the many constituents of the College. As the result of extensive participation in the planning process, the Strategic Plan has become the embodiment of a college-wide consensus on future directions in an era of constant change.

This Plan is prefaced with an enhanced statement of mission, an overarching vision for the years ahead, and institutional goals to frame the College's intentions. The plan itself contains **eight major Strategic Priorities**, which reflect the principal directions for the College's development in the next half decade. For each Strategic Priority, a number of objectives have been formulated and measures of performance have been identified. **The Strategic Priorities** reflect an emphasis on the following:

1. Increase **student success** through expansion and improvement in the areas of basic skills, remediation, and academic support services;
2. Strengthen and improve **academic programs**, student learning outcomes and alternative systems of delivery;
3. Expand programs meeting educational and training needs related to **workforce, economic, and community development**;
4. Expand the College's **outreach and recruitment**, including marketing and promotional efforts, increasing access to educational opportunities for all those in need;
5. Increase the quality and accessibility of **student development services** to positively impact on student outcomes;
6. Identify and promote strategies to ensure **stabilized funding resources**;
7. Upgrade and expand **technology utilization** in order to enhance learning, optimize resources, and improve communication and organizational effectiveness;

8. Promote a **dynamic organizational climate**, expanding staff and professional development, improving communication and **promoting diversity** throughout the organization.

During the deliberative and participatory process of planning that led to these priorities, it became clear that this plan can only be implemented with an institution-wide recognition of **five imperatives** that must permeate the execution of each and every priority in the plan. As these planning priorities are carried out, the College is committed to keeping these imperatives in the forefront of implementation:

- That all Strategic Priorities must address and guide the whole College, with **consistent application to both credit and noncredit instructional programs** and structures at the College, particularly as relating to student support services, retention activities, career pathways assistance, and transfer assistance;
- That all Strategic Priorities **provide for and promote diversity** at all levels of the organization, purposefully contributing to a climate which fosters high morale, improved performance, and greater connectedness for all college constituencies and the community;
- That all Strategic Priorities incorporate the development and maintenance of **strategic alliances and partnerships with external and internal constituencies**, including especially the involvement of students, community members, and community groups and organizations;
- That all Strategic Priorities strengthen to the maximum feasible extent **the concept of an integrated, one-college, multi-campus district**, particularly with relation to the distribution of resources and services; and
- That the success of this plan is principally assured by **the vital role of the CCSF Board of Trustees** in adopting programs and policies supporting the vision, mission, goals and Strategic Priorities of the plan; monitoring the process made towards goals and objectives contained in the plan; supporting the college community while holding it accountable; and encouraging the Chancellor and administration in partnership with faculty, staff and students to implement this plan to the fullest in order to achieve the desired outcomes.

With these imperatives clearly in mind and with eyes focused on the priorities that will guide and shape our future, we anticipate a successful journey amidst the challenges of a world accelerating with change.

Dr. Philip R. Day, Jr. Chancellor

Our Changing Environment

The College's Strategic Planning process identified eight Strategic Priorities. These key priorities met with enormous support during the entire review period, which included five internal follow-up review sessions and seven listening sessions with the college community and representatives from community organizations, business, labor and government.

This strong level of agreement on key priorities among the diverse group of planning participants results from a shared understanding of the importance of certain social, political, educational, and economic trends shaping City College's environment.

Each of the following sections discusses the background behind the key priorities that planning participants agreed should be addressed in the Strategic Plan.

The Need for Basic Skills

Data on entering students demonstrate the scope and depth of students' lack of preparation for college work. First-time students as a whole show a significant need for basic skills classes. Over 60 percent of students taking the CCSF placement examination test into one or more basic skills courses, and 75 percent of students 16 to 19 years old place into basic skills. More than 50 percent of the graduating high school students from San Francisco Unified School District schools place into one or more basic skills courses. The success rate for students overall in basic skills is 55 percent. For some student populations within basic skills, the success rates are below 50 percent.

The College already provides a great deal of support services to students, many of whom are able to attain their goals. For example, about 1,000 students receive an associate degree each year from City College of San Francisco, and nearly 75 percent of those students took at least one basic skills course while enrolled at the College. Forty percent of those students took three or more basic skills courses. Clearly, CCSF serves a large number of students with basic skills needs.

The CCSF planning participants agreed that if the College were to continue to provide opportunities for basic skills students to transfer to baccalaureate institutions or find training in a high skill/high wage occupation, expansion and improvement of basic skills programs would be required. The planning participants identified seven major objectives to support this priority.

The Need for Expansion and Enhancement of Academic Programs

A key social trend identified by the planning participants is the continuing diversification of the population in the College's service area, especially the growth of the Latino and Asian/Pacific Islander populations. The College's Strategic Plan diversifies curricular offerings throughout the College and promotes instructional strategies that optimize student success. The new accreditation standards are another important development that will require

faculty to identify and assess student learning outcomes at the course, program, and college level. In the Strategic Plan, the College responds to the new standards with a focus on teaching and learning issues in order to further extend and deepen the rich learning environment at the College.

The Need for Expansion of Economic and Community Development

Despite the current downturn in the region's economy, the long-term economic projections for the Bay Area and the City of San Francisco continue to be optimistic, emphasizing economic growth in the health, construction, transportation, information technology, and biotechnology sectors. Virtually all of the new jobs in these and other sectors will require at least an associate degree. Among the significant local economic and community developments are the Mission Bay and the Third Street Corridor projects, which need a workforce with multiple skills and competencies. Therefore, the College plans to expand workforce training and development opportunities and integrate basic skills, English as a Second Language, and other appropriate instruction. The College Plan calls for partnerships with other educational institutions, community organizations, and local employers in order to provide educational and training services in ways that are convenient and cost effective.

The Need to Increase Academic and Student Support

San Francisco continues to be one of the top destinations in the state for immigrants needing English as a Second Language programs and academic support services. The College's student population continues to shift toward older working adults (24 to 45 years old) who attend college part time.

The new Strategic Plan calls for increases in the quality and accessibility of student development services to address the needs of current and future City College students. The Plan addresses student orientation, counseling, career guidance, the expansion of retention programs for underserved and underrepresented students, the improved use of technology in student services, and increased financial aid opportunities.

The Need for Stable Funding

During each of the last three decades, community colleges suffered reductions in staffing and services, due to decreased funding from the state. The College's financial condition remains excellent, with reserves well in line with state requirements. However, given the cyclical nature of state finances, the planning participants identified, as a strategic priority, maintaining a stable pattern of funding to support the implementation of the Strategic Plan. The Plan calls for initiatives to improve the efficient allocation of resources within the College, secure alternative resources through development and grants programs, and pursue full equity funding for all programs within the College.

Facilities

While state funding in this area remains uncertain, facilities funding from the Proposition A Bond Referendum will provide the College with resources to implement facility projects including upgrades, remodeling, and new buildings during the next five years. The Strategic Plan delineates the objectives and the supporting activities to implement these projects.

Technology

Planning participants agreed that the College has already made significant strides in applying new technologies in the provision of educational services and College operations. The general expectation was that there would be an ongoing need for the College to update and extend its use of technology in appropriate ways to provide quality services efficiently. These efforts will include expansion of educational technology programs, improvement of network services, expansion of technical support, and expansion of applications for an improved administrative system and working environment.

Organizational Effectiveness

Successful implementation of the College's Strategic Plan will require the efforts of all faculty, classified staff, and administrators. To support a dynamic college environment, the Plan's objectives promote the development of the talents of all College employees. They further the College's effort to utilize a diversified workforce reflecting the communities that the College serves.

Our Vision

As the City College of San Francisco moves into the twenty-first century, our foremost vision is that we will continue to value and foster superior levels of educational participation and academic success among our students. Through the outreach to and inclusion of all populations, the provision of an unparalleled learning experience for students, and the enhancement of a supporting and caring environment that sustains and leads them to the successful completion of their educational goals, we are motivated by a compelling and authentic vision.

A Teaching and Learning Community

Above all else, we aspire to be a teaching and learning community whose principal distinction is the quality of instruction delivered by departments with strong reputations in their fields. The quality of success in learning will permeate all levels of the educational experience, from basic skills to advanced honors courses, from vocational/technical to the academic courses, from citizenship preparation and adult retraining to university transfer courses. The breadth of superior learning opportunities extends to a vast array of courses and programs sufficient to offer any student a pathway to educational and career success.

A Service Community

We will continue to reach out to all neighborhoods, ethnic populations, and economic segments of our service area; develop campuses and sites to better serve geographic areas of the city; diversify and improve programs and services for the benefit of the community; build partnerships with public, private, and community-based agencies to better respond to educational, economic and societal needs; and foster informed participation of our students and employees in community life.

A Diverse and Caring Community

We seek to build an inclusive community, where respect and trust are common virtues, and where all people are enriched by diversity and multi-cultural understanding; a responsive environment in which student needs are met in a friendly, caring, and timely manner; and a working environment for all faculty, staff, and administrators in which everyone is valued and the climate is supportive, positive, and productive.

A Contributing Community

In the larger realms of the state, the nation, and the world, we hope to share our educational resources and contribute knowledge, expertise, and innovation as a post secondary institution of higher education, as members of the community colleges of the state of California and throughout the country, as colleagues in our various fields, trades, and professions, and as educators committed to lifelong educational opportunities for all.

Mission Statement

CCSF provides educational programs and services to meet the following needs of our diverse community:

- Preparation for transfer to baccalaureate institutions
- Achievement of Associate Degrees of Arts and Science
- Acquisition of career skills needed for success in the workplace
- Active engagement in the civic and social fabric of the community, citizenship preparation, and English as a Second Language
- Completion of requirements for the Adult High School Diploma and GED
- Promotion of economic development and job growth
- Lifelong learning, life skills, and cultural enrichment

To enhance student learning and maintain a commitment to excellence, the College provides an array of academic and student services that support the development of students' intellectual, cultural, and civic achievements.

City College of San Francisco belongs to the community and continually strives to reaffirm its commitment as a resource for the community.

Institutional Goals

The institutional goals represent a translation of the mission and vision statements into more explicit purpose statements and intended outcomes. City College's Plan rests upon six institutional goals.

1. Enhance Access to City College of San Francisco

City College will inform everyone of the benefits of the institution's programs and services through a comprehensive outreach and recruitment effort. New and continuing students will be equipped with the appropriate information needed to enroll and succeed in the College's programs and courses. The College will continue and expand its efforts to respond to the needs of the diverse communities we serve by maintaining an open door for all who can benefit from enrollment, and scheduling programs and classes throughout the City of San Francisco to ensure maximum access.

2. Promote Student Success in Achievement of Educational Goals

The College is a learner-centered environment encouraging the acquisition of essential learning skills, civic engagement, and relevant knowledge that students need to achieve their educational goals. The College's programs support student education goals including the associate degree, certificates of program completion, transfer to baccalaureate institutions, specific career skills, English as a Second Language, basic skills, and lifelong learning.

3. Improve Satisfaction with College Services

All students should receive the highest quality educational and student support services at all campuses; faculty, staff and administrators should be able to rely upon the most efficient and effective college operations to fulfill their professional commitments to providing those services. College operations and services will rely upon a college-wide program review system as well as quality improvement processes to ensure that all students and employees receive the most reliable and efficient possible services.

4. Promote a Supportive and Positive Workplace

To better serve our students and our diverse communities, CCSF will promote a supportive work environment, which fosters collaboration and improved levels of communication, innovation and experimentation among the various college departments and units; the College will continue to build effective staff development programs, ensure healthy working conditions, foster an environment of respect and trust, and strive to be the most productive and best rewarded workforce in the California community college system.

5. Manage Resources Effectively

To increase the College's fiscal stability and effective management of its resources, CCSF will continue to pursue the highest standards of efficiency in delivery of educational services. The College will also aggressively pursue alternative sources of revenue including grants, alumni support and capital campaigns.

6. Pursue Highest Standards of Educational Excellence

City College promotes educational excellence by supporting faculty, administration, staff and student participation in national, state and local professional organizations, by building partnerships with other educational organizations, and by pursuing the highest standards of excellence for its programs and services.

Strategic Priorities

- 1. To ensure student access, progress, success and transfer readiness through an effective and expanded approach to improving basic skills, remediation, and transitional studies including instruction, academic and student support services, and other services as necessary.**
 - 1.1. Expand and improve programs and activities that focus on basic skills.
 - a. Examine effective retention practices, strategies, and models such as those that increase the intensity of coursework and that accelerate the work in basic skills.
 - 1.2. Increase success rates for students with basic skills needs.
 - a. Analyze English and math sequences to ascertain where student success can be increased.
 - b. Continue to expand the use of alternative methods of instruction and academic support.
 - 1.3. Expand access for students needing basic skills courses.
 - a. Ensure that part-time students receive the same opportunities as full-time students.
 - b. Determine and advocate for funding at the state level.
 - 1.4. Expand support programs to meet needs of students who do not perform well on high school exit exams and other standardized tests.
 - 1.5. Provide a comprehensive student success curriculum.
 - a. Increase access to college success courses that teach study skills and other necessary skills.
 - b. Expand initiatives through which student organizations address retention issues.
 - 1.6. Expand and improve linkages from basic skills through transfer courses in the college curriculum.
 - 1.7. Expand the College's organizational capacity to address the needs of basic skills students.
- 2. To continue to emphasize the strengthening and improvement of academic programs and courses, instruction, alternative systems of delivery, and success in achieving student learning outcomes.**
 - 2.1. Address and resolve graduation requirement issues.
 - 2.2. Continue to diversify the curriculum across the College.
 - a. Strive to make multicultural perspectives and civic engagement the norm for all disciplines.
 - b. Provide instruction addressing a diversity of learning styles.

- c. Provide faculty and staff training and professional development opportunities in multicultural perspectives.
 - d. Review the curriculum in terms of multicultural perspectives and regularly assess the effectiveness of the curriculum using multiculturalism as one criterion of excellence.
- 2.3. Promote instructional methods and deliveries that optimize student success, including such programs as distance/on-line learning, interdisciplinary and competency-based programs, collaborative and project based learning, learning communities, integrated learning and cross-disciplinary initiatives, as well as successful traditional methodologies.
- 2.4. Expand out-of-classroom learning activities to provide a range of opportunities, including service learning, internships, tutoring, mentoring, and cultural and recreational activities at all campuses.
- 2.5. Use skills-across-the-curriculum to enhance study skills and reinforce learning in the essential subject areas of reading, writing, and math.
 - a. Continue to promote and expand student success skills, including communication skills (speaking and listening), study skills, information competency skills and time management.
- 2.6. Utilize contextual and experiential learning strategies.
 - a. Expand the integration of vocational courses with ESL where appropriate.
 - b. Utilize project-based learning.
 - c. Develop bridge courses that introduce students to key occupational programs, such as biotechnology, information technology, and healthcare careers.
 - d. Utilize job-shadowing opportunities.
- 2.7. Expand the identification by faculty of learning outcomes and assessment of student learning at the course, program, and College levels.
 - a. Review and refine, where needed, existing policies and procedures that faculty use to identify desired learning outcomes by course and program.
 - b. Review and refine, where needed, existing policies and procedures that faculty use to assess the extent of student learning in courses and programs, including the development of appropriate assessment instruments.
 - c. Review and refine, where needed, existing policies and/or procedures that faculty use to evaluate the effectiveness of various teaching and delivery modalities and strategies, analyze the assessment results, and modify those strategies where appropriate.

- d. Develop survey instruments to assess employer, student, and alumni satisfaction with college instructional, transfer, and training programs.
 - e. Review and refine, where needed, existing policies and procedures of the College's program review system to ensure the effectiveness in improving instructional and student development/student services programs.
- 2.8. Expand staff development opportunities for faculty in the development and implementation of learning assessment initiatives
- 2.9. Integrate visual resources in to the institutional life of the College
 - a. Integrate visual resources into the curriculum to improve student success and learning.
 - b. Expand art education exhibits and workshops throughout the College.
 - c. Conserve and maintain CCSF works of art.

 - e. Promote and support the acquisition of art for new college buildings.
- 3. **To continue respond effectively to the educational and training needs of students and communities related to workforce, economic and community development initiatives.**
 - 3.1. Develop new academic, vocational and contract education career pathway programs to respond to economic development trends in the City and the region in key economic sectors, including but not limited to health and medical services, transportation, public sector services, biotechnology, and information technology¹.
 - 3.2. Integrate basic skills, ESL, and other appropriate academic instruction with workforce education programs.
 - 3.3. Expand workforce training and development opportunities for students.
 - a. Address opportunities for employment training for diverse populations.
 - b. Teach skills and competencies that cut across academic and occupational programs.
 - c. Offer career-interest and career-planning courses.
 - d. Collaborate with community-based organizations and businesses to provide students with a first employment/internship opportunity.

¹ see also Education Master Plan Section I for additional program plans.

- e. Use work-study, internships, and other similar programs to provide students with work experience in the community related to their program/course of study.
- 3.4. Explore the potential of high-pay/high-skill jobs at the Mission Bay and Third Street Corridor projects for residents in local area communities as well as other sections of the City including the necessary education and training requirements for those jobs.
- 4. **To expand the College's outreach, recruitment, marketing, and promotional activities related to the College's programs, services, and resources in order to support the enrollment and community development objectives of the College and the needs of our current and prospective constituencies.**
 - 4.1. Expand the number of people served by the College within the City and County.
 - a. Provide new kinds of programs and services to reach people in new ways.
 - Use technology and distance education.
 - Partner with community-based organizations (e.g., Swords to Plowshares, Walden House, Second Chance, Goodwill, On-Lok, JVS, etc.).
 - Recruit under-employed and dislocated workers.
 - b. Review curriculum, scheduling, and instructional delivery options for programs and courses to attract diverse and changing student populations.
 - c. Develop additional targeted marketing and outreach strategies.
 - d. Analyze why some City residents attend community colleges outside the City and develop strategies to meet their needs through CCSF.
 - 4.2. Recruit and support non-credit students seeking to transition to credit programs.
 - 4.3. Develop outreach to people who commute into San Francisco.
 - 4.4. Share student data with other postsecondary institutions and high schools to expand the College's understanding of student needs.
 - 4.5. Extend outreach activities beyond San Francisco, targeting the Bay Area, the state, and other countries.
 - 4.6. Expand efforts to reach current middle and high school students, high school dropouts, and high school graduates in collaboration with SFUSD and other Bay Area school districts.
 - a. Expand the use of concurrent enrollment to support underprepared and underrepresented high school students, including students at risk of not graduating.

- b. Expand programs to reach high school students bound for CCSF or C.S.U., U.C., and other four-year colleges and universities.
 - c. Expand and improve outreach to students still in high school.
 - d. Explore offering more CCSF courses at high school sites.
- 4.7. Expand alternative scheduling and flexible delivery of courses.
 - a. Increase evening and weekend courses.
 - b. Increase summer offerings.
 - c. Increase continuing education offerings.
 - d. Increase short-term and modular course offerings.
 - e. Increase summer bridge courses for high school students needing academic enrichment activities.
 - f. Explore the use of alternative calendars.
- 4.8. Expand activities of the Office of Outreach and Recruitment.
 - a. Explore expansion of the scope of the Outreach/Recruitment Office.
 - b. Expand role of students in outreach and recruitment.
 - c. Expand outreach activities focused on campus-based programs.
 - d. Explore ways that current students may promote the future enrollment of new students.
- 4.9. Explore intercampus transportation shuttle bus system.
- 5. To increase the quality and accessibility of student development services to positively impact student outcomes related to student learning, retention, course completion, graduation, and job placement.**
 - 5.1. Expand, improve, and promote greater access to financial aid resources for all credit and noncredit students, including Pell grants, college work-study, childcare, books, computers and other tools useful in the educational process, and scholarships.
 - 5.2. Provide a fair and equitable wage for on-campus student employment opportunities by developing and implementing a three-year schedule to achieve a greater level of compensation for students.
 - 5.3. Expand the success of the College transfer function.
 - a. Identify and assist transfer-ready students to transfer to baccalaureate institutions.
 - b. Provide additional support for students in meeting transfer goal, targeting underrepresented students.
 - c. Identify and collaborate with institutions that successfully work with community college transfer students.

Summary Report on Proposed CCSF Strategic Plan Listening Sessions

To obtain the maximum amount of feedback about the College's draft Strategic Plan, the Chancellor and the Planning and Budgeting Council held eight listening sessions at five campuses during the period September 23 through November 20, 2002.

Four of the listening sessions focused on feedback from members of the college community—faculty, students, staff and administrators; and four sessions were held to gather responses from the greater San Francisco community including representatives from community organizations, businesses, educational institutions, government and non-profits. Invitations to review and discuss the strategic plan with the College listening panel were sent to approximately 300 individuals and organizations in the city and county of San Francisco.

Over 250 people attended the eight listening sessions and most of them provided either oral or written responses to the basic question asked of all participants:

What key directions do you think should be embraced as CCSF plans its future and are these directions identified in the current draft strategic plan?"

Members of the college community focused on strategic initiatives that address strengthening and improving academic and student development programs. The concerns included:

- Expanding professional development for faculty and staff;
- Enhancing the college curricula and facilities with visual arts resources;
- Establishing new programs in such areas as medical lab technician and disaster preparedness;
- Expanding financial aid, career guidance and academic support programs; and
- Adding new courses to current programs, particularly in occupational areas.

Presentations from members of the communities served by City College of San Francisco focused on four strategic priorities: academic programs; workforce training and education; outreach and recruitment; and student development. The main themes include:

- Integrating of English as a Second Language with vocational programs;
- Expanding health education and training programs;
- Continuing the development of flexible systems of delivering education particularly for those who work full time;
- Expanding recruitment and outreach; and
- Expansion of career guidance and academic support systems.

Notes from Strategic Plan Listening Sessions

September through November 2002

External Listening Sessions

Downtown Campus, October 30

1. Continue to support CCSF SBDC
2. Add support for the development of small businesses to SP Initiative #3 (Workforce Education and Training) as an activity.
3. Integrate microcomputer business applications classes such as one on Quick Books, with the small business program at the Downtown campus.
4. Additional ESL literacy classes are needed at the college for displaced workers (e.g. Levi Strauss workers)
5. Expand job training for entry level workers
6. Develop a program in non-profit agency management.

John Adams Campus, November 4

1. Comment made that we need to be cognizant of shifting demographics in San Francisco (i.e., largely Asian population, many of whom are immigrants); would like to see (1) more training for bilingual/bicultural health and human services providers and (2) more service learning opportunities.
2. Suggestion made that we offer more acute care training and pre-college program to support students.
3. Comment made that strategic plan reflects reality and that CCSF is responsive to the community.
4. SFFD representative noted that he appreciates CCSF's role in the community and is committed to working with CCSF to serve the community (through paramedic and EMT training).
5. Recommendation made that we consider graduates of SFSU School of Nursing for faculty positions (nursing shortage is coupled with an even more severe shortage of nursing faculty).
6. Suggestion made that we consider increasing access to CCSF resources by offering classes onsite for populations such as those recovering from head traumas at Laguna Honda and find ways to provide these individuals with funding for textbooks, supplies, etc.

7. Same individual suggested partnering with community-based organizations (e.g., Department of Public Health, SF General Hospital, Community Mental Health) to provide onsite career counseling for employees.
8. SFPD would like us to expand training into basic English (composition), social sciences, and psychology.
9. Comment made that we need to emphasize language training.
10. Suggestion made that we expand the opportunities for ESL students that tap into their existing skills (e.g., similar to Welcome Back).
11. Recommendation made that we work in close collaboration with the Workforce Investment Board, continue building partnerships with CBOs, and continue to offer courses during evenings and weekends for working adults. Also noted that we need to continue customizing training to meet employer needs (cited this as an area of weakness at CCSF).
12. Same individual indicated need for more intensive, flexible, vocationally oriented ESL offerings. Also noted need for enhancing customer service for agencies and students.
13. Requested that we include healthcare in Priority #3.
14. Echoed need to provide more vocational training, especially ESL.
15. Need asserted for expanding our allied health programs, and, in particular, need to develop support services for allied health students—many work at same time they go through program.
16. Suggestion made that we reach out more to high school students through School-to-Career programs (noted by three individuals); need to emphasize 2+2+2 initiatives.
17. Affirmed need for technology as a tool for distance education to reach broader audience.
18. Another participant noted the need to work closely with African American and Latino students on transfer; suggested that low transfer rates among these students are due to a lack of cohort with which to transfer (i.e., lack of community at state universities).
19. Echoed need for bilingual nurses and allied health professionals, especially Cantonese-speaking professionals; suggested that we partner with agencies to provide internships for students.
20. Request made that we expand homecare provider training by offering more sections, limiting class size to 20 students, and offer more classes in more languages; nursing and allied healthcare classes are too impacted, as are prerequisite classes.

21. SEIU would like to partner more with CCSF; members sorely need GED courses and Eng/math remediation to advance; need to involve unions in planning.
22. Statement made that we need to focus more on transitions from community college to four-year institutions. Noted that some of the best students at UC schools are those who came from community colleges—these “non-traditional” students tend to bring enriching experiences to the classroom. Need to begin shepherding transfer students earlier.
23. Suggestion made that we invest more in public relations; not enough spotlighting of CCSF.
24. Need to focus on physical improvement of facilities (SPUR can help)—keep going back for more bond measures.
25. Suggestion made that we utilize SPUR for student internships and for outreach.
26. Suggestion made that we tap into the Asian and Latino communities more (as we have with African American community).
27. Need asserted for cross-training of health care providers.

Gough Street (Includes Mission and Alemany Campuses), November 6

1. Comment made that we overstress “community service” (e.g., CCSF as a place for life-long learning) and don’t stress enough how it can be a stepping-stone to a four-year degree.
2. Noted that students need more help navigating the system through support services (orientation, counseling and retention programs); too many students become lost—noted that Strategic Plan addresses this as did the last, but it doesn’t seem to have been implemented broadly enough.
3. Requested that we focus on making the Mission Campus bigger and better—doesn’t currently serve the needs of the community because of space limitations.
4. Indicated support for Priority #2; also recognized that getting staff/faculty to embrace new pedagogies to meet the needs of nontraditional students can be challenging given logistical limitations, etc.
5. Noted importance of articulating with SFUSD and suggested that we reference K-12 under partnerships.

6. Participant indicated support for lifelong learning as a way to increase self-esteem; also noted importance of ESL. Would like to see these opportunities increase.
7. Supported non-credit instruction and need for building partnerships in this arena.
8. Noted that de-institutionalization of the elderly will result in a greater training need for in-home care providers.
9. Need asserted to recognize what the Hawaiian/Native American student community can bring to CCSF (e.g., environmental knowledge, etc.).
10. Noted need for more staffing in DSPS—valuable resource for students.
11. Need to provide more fellowships and internships for students (suggested providing opportunities for students to work with faculty to publish articles, etc.).
12. Need to focus more in recruiting Native American students—SF is home to the second largest population of Native Americans in an urban setting.
13. Consider developing a relationship with Indian gaming outfits for funding programs that support Native American students.
14. Request made that we expand healthcare and nursing programs and work with organized labor to determine which programs to expand.
15. Asked that we integrate ESL and basic skills into workforce education.
16. Suggested that we create a smoother transition between prerequisite courses and subsequent nursing/healthcare courses (especially for students fulfilling prerequisites elsewhere).
17. Need asserted for better outreach to a variety of communities. Need to devise affordable, culture-specific marketing.
18. Recommendation made to expand alternative delivery of courses—bring classroom to students (e.g., Walden House); expand partnership with Walden House and others; focus in particular on computer training and consider involving counselors.
19. Great need for in-home care providers; need job readiness training, hands-on training, and language development (especially for Russian and Spanish speakers—need instruction in these languages). Need to expand training program.
20. Support for flexible delivery of education and training for health care workers seeking to move up the career ladder.
21. Strong support from the Chief of Staff of the Workforce Investment Board of San Francisco for City College programs and commitment to work closely with the WIB. Recommends expansion of alternative

- delivery systems including on-line learning, collaborative and project-based learning and course instruction at community organizations.
22. Recommendation to establish special projects with SFUSD schools used by CCSF to provide mentoring and tutoring and other forms of support for the students in these schools.
 23. Recommendation in support of vocational ESL, vocational programs for older adults and training for entry-level positions.
 24. Need for continued support for education for newly arrived immigrants, especially through Newcomer High School.
 25. Support for a "multi-level strategy" for new Chinatown/North Beach campus to work closely with both the companies in the financial district and the new immigrant populations in Chinatown.
 26. Support for expanding communication with the communities in San Francisco.
 27. Additional training for students at CCSF participating in the shared governance system.
 28. Use exit interviews for retiring faculty to gather insights about what the college is doing well and where improvements are needed.
 29. City College of San Francisco should participate in committees established by the Board of Supervisors.
 30. Channel 27 needs to be upgraded in video and audio.
 31. CCSF should establish a training program in disaster preparedness for residents of the City including employees in the businesses, agencies and public sector. Such a program could utilize current CCSF courses as well as the skills and knowledge of various residents of SF.
 32. Need for basic culinary class for adults with developmental disabilities. Also need appropriate training for entry-level jobs for adults with developmental disabilities (such as: janitorial, retail, restaurant).

Southeast Campus, November 11

1. Encouragement given for CCSF to continue partnering with SFSU, Department of Human Services, and other CBOs in child development.
2. Same participant also recommended using DHS' VIP Program as a model for ESL vocational education. A later participant reinforced the need for basic skills and ESL to be paired with workforce development/vocational education.
3. Request made that CCSF provide staffing to the One Stop Centers.
4. Additional request made for specialized scheduling of courses for welfare recipients (e.g., shorter, more intense courses; "weekend

college"); also requested that we provide more opportunities for skills enhancement that encourages pursuit of higher education.

5. DHS clients have complained that CCSF classes are too large and that content does not reflect primary need for job development; would also like to be able to access One Stop services in the evenings. In particular, would like to see job development opportunities in strong industry sectors (e.g., biotechnology) that provide wage progression through continual skills upgrade. Clients have also asked for certificate program for Building Superintendents.
6. Suggestion made that CCSF strive for (1) better integration with the rest of the workforce development system, (2) more career counseling and job placement, and (3) better access to courses and opportunities through flexible scheduling, etc.
7. Another participant raised the concern that there aren't enough opportunities for residents of the Southeast sector to develop skills to pursue jobs in biotechnology.
8. Comment made that folding the Latina Service Center into the Latino Services Network detracts attention from the very specific needs that Latina women face. This participant would like to see more support for re-entry of female students.
9. Another request made for flexible scheduling of classes to promote access for students who work.
10. Suggestion made that CCSF consider locating programs in Visitacion Valley (considered to be a neutral area in terms of gang turf).
11. Request made that we continue providing tours of CCSF for high school students.
12. Concern raised that high schools aren't receiving information about their students once they move on to CCSF.
13. Suggestion made that we provide a one-credit course for high school students to introduce them to CCSF.
14. Comment made that undocumented students are prohibited from participating in high education due to their immigration status.
15. Request made that we explore ways to subsidize training programs in promising workforce development areas (aircraft mechanics, computer technicians). Validated earlier comment re. need to explore alternative delivery of training programs that encompass basic skills and job skills development.
16. One participant would like to see more stepladder programs through two-year institutions.
17. Request made that CCSF take leadership in facilitating improvements in quality of life for residents in Southeast sector.

18. Concern raised that the Southeast Campus appears to be in competition with other CCSF campuses for educational programming; would like to see more certificate programs at this campus (e.g., reinstate allied health training programs and provide more business English and math classes). Another participant echoed concern that CCSF does not provide enough full certificate programs at the Southeast campus—CCSF also needs to provide more credit courses at night on this campus.
19. Request made that we focus more on Pacific Island students (especially Samoan) through offering culturally relevant courses (Samoan arts), etc.
20. Comment made that CCSF generally needs to focus on outreach and recruitment in Southeast community.

Internal Listening Sessions

Downtown Campus, September 23

1. Question about establishing targets and goals for some of the activities listed in the strategic plan. For activities such that are to be "increased" or "expanded", such as 4.7 for example, question of how such increase is to be evaluated.
2. Question about Obj. 5.5 on retention. Discussion followed.
3. Question about integrating ESL with career development and occupational programming.
4. Question and discussion about regular permanent allocations for equipment and software upgrades for computer labs so that "higher end" computer classes could be taught.
5. General discussion about Downtown library operation.
6. Comment that the strategic plan draft was "superb".
7. Comment that the plan was so comprehensive that "there was hardly anything we couldn't find in it. Noncredit programs are also well represented in the plan."
8. Overview discussion about planned renovations of the Downtown campus especially the first floor. Cabaret and sound system setups would be useful.
9. Suggestion made that it might promote collegiality more to have the campus funding "pie" divided up in bigger pieces and rotated among the campuses (even if on a less frequent basis), in preference to the current practice of making it a competitive decision process wherein desired projects are funded frequently but often only partially.

Southeast Campus, September 25

1. Question about whether we will increase classes available on Southeast classes, particularly in light of 3rd Street Corridor improvements with light rail access.
2. Concern raised that Transitional Studies needs vary by campus, therefore need representation for all.
3. Issue raised that basic skills students want jobs.
4. Support expressed for increasing internship opportunities.
5. Question about accountability and how we will measure attainment of strategic priorities.

6. Comment that exploration of "Ability to Benefit" (financial aid qualification for ABE) program needs to be resurrected.
7. Comment that sewing equipment needs updating.
8. Concern raised about why students who have health benefits elsewhere need to pay the student fee.
9. Request made for more student mentoring funds at the Southeast campus.

John Adams Campus, October 1

1. Suggestion made that we consider accelerated immersion programs for ESL students who are skilled and literate foreign professionals (e.g., doctors, nurses) whose basic skills need is only for English language acquisition.
2. Concern raised that Title III focuses solely on credit students; would like to know that we are pursuing other grant funds for noncredit students (responded that infrastructure/technology that Title III will allow us to undertake will ultimately serve all students at all campuses, whether credit or noncredit).
3. Comment that health occupations should be listed in 3.1.
4. Suggestion made that all campuses and specific departments need individual marketing support in addition to marketing CCSF as a whole; would like the Office of Marketing and Public Information to facilitate discussions about how to address individual campus and department marketing needs at an institutional level.
5. Comment that Priority 5 emphasizes transfer too much; not everything needs to be degree applicable given that the community's needs are diverse with respect to individual educational pursuits.
6. Confirmation received that evening and weekend and course offerings are particularly important, especially for the "working poor."
7. Validated need for reducing mundane/redundant systems/processes within the College (6.2.c).
8. Validated need for optimizing use of staff and noted need to do so in conjunction with collective bargaining units.
9. Comment that the need for beautifying campus grounds is important (6.5.d).
10. Noted importance of using technology for automating admission procedures, etc.

11. Request made for more professional development on grants management; and more need to codify the system along the lines of B-Resolution procedures distributed by the grants office.
12. Question raised about how we can be more flexible in our delivery of services when we experience high enrollment as we are now but facing budget reductions.

Ocean Avenue Campus, November 20

1. To address needs of students in health related programs, additional weekend and evening classes should be established; additional articulation agreements with community organizations should also be pursued.
2. Significant opportunity for CCSF is to establish a medical laboratory technician program since the State of California has just created a licensing program for lab techs. Hartnell College already has an online curriculum that CCSF can adapt.
3. College needs to continue to develop health programs in response to issues/problems within communities such as asthma and diabetes, not just in response to hospital needs for a larger nursing workforce.
4. Address the workforce needs of new companies at Mission Bay such as Hoffman/Roche which needs biotechnology technicians (see section 3.4 on page 10)
5. Add specific reference helping students with accessing textbooks in section 5.4.b
6. Add information competency skills to section 2.5.a
7. Add a ninth objective in Strategic Plan Priority #2 (Academic Programs) that would read: "To enhance both the curricula and the facilities at CCSF by creating, presenting and preserving a broad range of visual resources and pathways to information about them." There are nine proposed activities listed including integrating visual resources into the curriculum; expand exhibitions; development workshops; conserve CCSF works of art; promote acquisition of new art; expand partnerships with schools around arts programs; continue to develop library collections; create an art walking tour; continue to support staffing.
8. Recommendation to enlarge programming in ethnic studies and classes that focus on social and political issues.
9. Recommendation to make editorial changes to draft mission statement
Tone is too apologetic. Suggests: "The College will be responsive to them."

10. Recommendation to provide professional development opportunities for faculty to support the integration of multicultural perspectives in to all parts of the college curriculum. New faculty hires should be provided with training to ensure that a multicultural perspective is well understood and integrated into faculty classes.
11. Evening instructor summary of her evening student's views: they appreciate what has already been done by the college to support evening students, and they would suggest additional activities: staggered evening classes so that students could take two classes in an evening; evening and weekend childcare; Sunday hours for the library; short-term classes during holiday break and summer; more SFSU classes offered at the Ocean Avenue campus; more test preparation classes for the LSAT; GRE; CBEST, etc.; evening student clubs; evening concern and lecture series; more effective traffic and parking control; more effective coordination with MUNI with evening class scheduling.
12. Recommendation to recruit/hire more faculty for Latino studies program.
13. Suggestion to modify section 5.5.c to add Pacific Islanders and to use verbs such as "implement" rather than "assess feasibility."
14. Suggestion to add more day classes in GLST at the Ocean campus.
15. Suggestion to enhance support for Asian-Pacific American students, especially since a significant number of the probationary students is AP-As.
16. Suggestion for more Puente and Math Bridge type programs
17. Suggestion for more credit classes on other campuses.
18. Recommendation for professional development for classified staff that is explicitly job-related.
19. Suggestion that FLEX professional days should be rethought given the scarcity of funding, specifically to focus more at the department level needs of the faculty and staff and using more college personnel to transfer information and skills to the faculty and staff.
20. Suggestion for student housing; shuttle busses for the college for students and faculty.
21. Suggestion to increase outreach to students about student clubs and student support resources.
22. Suggestion to diversify the curriculum content of European history to include both western and eastern European history.
23. Investigate the feasibility of changing transfer requirements for international students to ensure that they enroll in US history and US government courses for transfer to a baccalaureate institution.
